DECLARATION OF JORDAN L. LURIE

I, JORDAN L. LURIE, declare:

1. I am an attorney duly admitted to practice law before all courts of the State of California. I am a Partner at Pomerantz LLP (“Pomerantz”), and along with the Law Offices of Zev B. Zysman (collectively with Pomerantz, “Settlement Class Counsel”), I am Co-Lead Counsel for Plaintiff California Chiropractic Association (“Plaintiff” or “CCA”) and the Settlement Class in the action pending against Defendants MedRisk LLC and MedRisk Holdco, LLC (together, “MedRisk” or the “Defendants”).¹

2. I am submitting this Declaration in support of Plaintiff’s Motion for Unopposed Attorneys’ Fees, Costs and Settlement Administration Expenses (“Motion”).

3. I have personal knowledge of the matters stated herein and if called as a witness, I would and could testify to the following.

4. In the interest of judicial efficiency, this Declaration incorporates by reference the representations made by my Co-Lead Counsel, Zev B. Zysman, in his Declaration regarding the Summary of Law, Facts and Procedural History, and Settlement Terms. litigation history, and summary of the Settlement terms.

5. Based on my experience litigating class actions, I believe that the proposed Settlement is in the best interest of the Settlement Class Members, as it provides them substantial and meaningful injunctive relief. None of the changes in Defendants’ business practices would have been achieved without the efforts of Settlement Class Counsel.

6. Moreover, I believe the requested fees and costs are fair and reasonable under controlling law, particularly considering the outstanding results realized for the Settlement Class.

POMERANTZ LLP’S EXPERIENCE AND QUALIFICATIONS

7. A copy of my Firm’s resume is attached hereto as Exhibit 1. Pomerantz is one of the most respected law firms in the United States and is dedicated to representing investors in

¹ This Declaration incorporates by reference the definitions in the Stipulation and Agreement of Settlement (the “Stipulation” or “Settlement”), and all terms used herein shall have the same meanings as set forth in the Stipulation.

1 securities fraud class actions and consumers in actions that seek to recover monetary and
2 injunctive relief on behalf of class members while also advocating for important consumer rights.
3 We have offices in Los Angeles, New York, Chicago, London, Tel-Aviv, and Paris.

4 8. In 2020, Pomerantz was named Plaintiff Firm of the Year by Benchmark
5 Litigation, ranked among the top plaintiff firms by Chambers USA and The Legal 500, and
6 honored with European Pensions' Thought Leadership Award. In 2019, Pomerantz received
7 Benchmark Litigation's National Case Impact Award for In re Petrobras Securities Litig. In
8 2018, Pomerantz was a Law360 Securities Practice Group of the Year and a finalist for the
9 National Law Journal's Elite Trial Lawyers award. Among other accolades, many of our
10 attorneys have been chosen by their peers, year after year, as Super Lawyers® Top-Rated
11 Securities Litigation Attorneys and Rising Stars.

12 9. Our attorneys have successfully litigated claims involving California's Unfair
13 Competition Law, California's Consumers Legal Remedies Act, the Song Beverly Consumer
14 Warranty Act and the Song Beverly Credit Card Act. Pomerantz has successfully prosecuted and
15 resolved consumer claims focusing on unfair competition, false advertising, illegal background
16 checks, privacy rights and consumer finance related actions. In all of these actions, Pomerantz
17 achieved significant modifications to defendants' business behavior as key components of
18 settlement.

19 10. Throughout its history, courts have repeatedly acknowledged Pomerantz's ability
20 to vigorously pursue and successfully litigate actions on behalf of consumers. As Judge Jed S.
21 Rakoff of the Southern District of New York wrote in approving a \$2.9 billion settlement in In re
22 Petrobras Securities Litigation in June 2018, "[T]he Court finds that Class Counsel's
23 performance was in many respects exceptional;" [T]he lawyers in this case [are] some of the best
24 lawyers in the United States, if not in the world."

25 11. Numerous other courts have noted Pomerantz's skill and effectiveness and have
26 acknowledged Pomerantz's abilities to vigorously pursue and successfully litigate actions on
27 behalf of consumers. For example:
28

- 1
- District Judge Noel L. Hillman, in approving the *In re Toronto-Dominion Bank Securities Litigation* settlement in October 2019, stated:

2 I commend counsel on both sides for their hard work, their very
3 comprehensive and thoughtful submissions during the motion practice
4 aspect of this case. ... It's clear to me that this was comprehensive,
5 extensive, thoughtful, meaningful litigation leading up to the settlement. ...
6 This settlement appears to have been obtained through the hard work of the
7 Pomerantz firm. ... It was through their efforts and not piggybacking on any
8 other work that resulted in this settlement.

- 9
- In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York wrote:

10 Let me thank counsel on both sides for the extraordinary work both sides did
11 in bringing this matter to a reasonable conclusion. As the parties have
12 indicated, the matter was intensely litigated, but it was done in the most
13 extraordinary fashion with cooperation, collaboration, and high levels of
14 professionalism on both sides, so I thank you.

- 15
- In certifying two Classes in *In re Petrobras Securities Litigation* in February 2016, Judge Rakoff wrote:

16 [O]n the basis not only of USS's counsel's prior experience but also the
17 Court's observation of its advocacy over the many months since it was
18 appointed Lead Counsel, the Court concludes that Pomerantz, the proposed
19 class counsel, is "qualified, experienced and able to conduct the litigation."
20 ... [T]he Pomerantz firm has both the skill and resources to represent the
21 Classes adequately.

- 22
- In approving the settlement in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880, 2016 U.S. Dist. LEXIS 144133 (S.D. Fla. Oct. 14, 2016) Judge Ursula Ungaro wrote: "Class Counsel has developed a reputation for zealous advocacy..."

- 23
- In approving a \$24 million settlement in *In re Force Protection, Inc.*, No. 08 CV 845 (D.S.C. 2011), Judge C. Weston Houk described the Firm as "attorneys of great ability and great reputation" and commended the Firm for having "done an excellent job."

- 24
- In approving the settlement in *In re Converse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.) in June 2010, Judge Nicholas G. Garaufis stated:

25 As outlined above, the recovery in this case is one of the highest ever
26 achieved in this type of securities action. ... The court also notes that,
27 throughout this litigation, it has been impressed by Lead Counsel's acumen
28 and diligence. The briefing has been thorough, clear, and convincing, and ...

1 Lead Counsel has not taken short cuts or relaxed its efforts at any stage of
2 the litigation.

- 3 • In *Steinberg v. Nationwide Mutual Insurance Co.* (E.D.N.Y. 2004), Judge
4 Spatt, granting class certification and appointing the Firm as class counsel,
5 observed: “The Pomerantz firm has a strong reputation as class counsel and
6 has demonstrated its competence to serve as class counsel in this motion for
7 class certification.” (224 F.R.D. 67, 766.)
- 8 • In *Mercury Savings & Loan*, No. 90-cv-00087 LHM (C.D. Cal. 1993),
9 Judge McLaughlin commended the Firm for the “absolutely extraordinary
10 job in this litigation.”

11 12. Pomerantz’s class action record is enviable. On January 3, 2018, in *In re*
12 *Petrobras Sec. Litig.*, No. 14-cv-9662 (S.D.N.Y. 2018), in a significant victory for investors,
13 Pomerantz, as sole Lead Counsel for the class, achieved a historic \$2.95 billion settlement with
14 Petróleo Brasileiro S.A. and its related entity, Petrobras International Finance Company, as well
15 as certain of Petrobras’ former executives and directors. On February 2, 2018, Pomerantz
16 reached a \$50 million settlement with Petrobras’ auditors, PricewaterhouseCoopers Auditores
17 Independentes, bringing the total recovery for Petrobras investors to \$3 billion. In August 2019,
18 in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y.),
19 Pomerantz, as Lead Counsel, achieved final approval of a \$110 million settlement for the Class
20 in a high-profile securities class action which alleged that Fiat Chrysler concealed from investors
21 that it improperly outfitted its diesel vehicles with “defeat device” software designed to cheat
22 NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler
23 of violating the emissions regulations.

24 13. Over its long history, Pomerantz has achieved other significant settlements in
25 numerous cases, a sampling of which is listed below:

- 26 • *In re Yahoo! Inc. Sec. Litig.*, No. 17-cv-00373 (N.D. Cal. 2018)
27 \$80 million settlement of securities class action in which Pomerantz was Co-Lead
28 Counsel.

1 14. Not only has Pomerantz established a long track record of obtaining substantial
2 monetary recoveries for our clients; whenever appropriate, we also pursue corporate governance
3 reforms on their behalf. In In re Chesapeake Shareholders Derivative Litigation, No. CJ-2009-
4 3983 (Okla. Dist. Ct., Okla. Cty. 2011), for example, the Firm served as Co-Lead Counsel,
5 representing a public pension client in a derivative case arising from an excessive compensation
6 package granted to Chesapeake’s CEO and founder. This was a derivative action, not a class
7 action. Yet it is illustrative of the results that can be obtained by an institutional investor in the
8 corporate governance arena. There we obtained a settlement which called for the repayment of
9 \$12.1 million and other consideration by the CEO. The Wall Street Journal (Nov. 3, 2011)
10 characterized the settlement as “a rare concession for the 52-year old executive, who has run the
11 company largely by his own rules since he co-founded it in 1989.” The settlement also included
12 comprehensive corporate governance reforms.

13 15. Pomerantz has also pioneered litigation to establish claims for public injunctive
14 relief under California’s unfair business practices statute. For example, Pomerantz’s Strategic
15 Consumer Litigation has filed cases seeking to prevent major auto manufacturers from
16 unauthorized access to, and use of, drivers’ vehicle data without compensation, and seeking to
17 require the auto companies to share diagnostic data extracted from drivers’ vehicles. The
18 Strategic Consumer Litigation practice group also is prosecuting other class cases against auto
19 manufacturers for failing to properly identify vehicle parts that must be covered in California
20 under extended emissions warranties. Other consumer matters handled by Pomerantz’s Strategic
21 Consumer Litigation practice group include actions involving cryptocurrency, medical billing,
22 price fixing, and false advertising of various consumer products and services.

23 **WORK PERFORMED BY POMERANTZ LLP**

24 16. The services rendered and work performed by my Firm’s attorneys in this case
25 covered every aspect of this hard-fought litigation. As Co-Lead Counsel, my Firm and I were
26 involved at every stage of the action from working up the case to final resolution, including
27 protracted mediation and settlement efforts, as described below. I oversaw each aspect of the
28 litigation and had primary responsibility for overall litigation strategy. As detailed below in

1 paragraph 29, I was personally involved in investigation of the background facts; drafting the
2 original Complaint and Amended Complaint; drafting, researching and opposing Defendants'
3 Demurrer; interfacing with Settlement Class members and interested third-parties regarding the
4 claims at issue; interviewing key industry experts regarding the key allegations and possible
5 resolutions; strategy and issues relating to the case; drafting and responding to discovery;
6 document review; drafting other court documents; developing a strategy for settlement;
7 mediation before Judge Louis Meisinger; settlement negotiations; drafting and revising the
8 Settlement Agreement and all papers and exhibits for preliminary and final approval.

9 17. Co-Lead Counsel and I led the mediation efforts, and there were numerous formal
10 and informal attempts to reach a settlement before this matter ultimately was resolved. I, together
11 with Co-Lead Counsel, was intimately involved in negotiating the nature and scope of the class
12 relief that Defendants ultimately agreed to provide as a direct result of this Settlement. These
13 negotiations relating to the material terms of the injunctive relief spanned over eight months after
14 the Mediation before Judge Louis Meisinger; and thereafter, Class Counsel continued over
15 several more months to finalize the settlement consistent with the terms agreed upon. During
16 that time period, Class Counsel spent time working out the details of the Settlement and the
17 procedures and schedules for notice to the Class which was memorialized in the Stipulation.
18 Each aspect of this Settlement was vigorously negotiated, including the "Scorecard,"
19 "Scheduling Criteria," and "Transparency and Process Management Procedures." This process
20 involved extensive email and telephonic communications between counsel, as Class Counsel
21 drafted, reviewed and edited these documents throughout the drafting process. The substantive
22 terms of the Settlement and the Class Notice are set forth in the Zysman Decl. None of the
23 foregoing changes in business practices as part of the Settlement would have been obtained
24 without the efforts of Class Counsel.

25 18. I am thoroughly familiar with the quality and quantity of work done in this case
26 by all lawyers representing Plaintiff and the Settlement Class. I believe the time expended in this
27 litigation was reasonable and necessary considering the amount of work required to litigate this
28 action and achieve the Settlement terms. I have endeavored to ensure there was no unreasonable

1 duplication of the services for which my Firm and my co-counsel now seek compensation. In
2 the situations in which two or more attorneys participated in any matter, that participation was
3 reasonable because of the complexity of the issues or pleadings involved and the time constraints
4 that existed. I believe tasks were delegated appropriately among senior attorneys and less senior
5 attorneys according to their complexity.

6 **LODESTAR AND EXPENSES**

7 19. The following information regarding my Firm's time and out-of-pocket expenses
8 is taken from time and expense records prepared and maintained by the Firm in the ordinary
9 course of business. The time records were prepared daily or shortly thereafter by each attorney
10 working on the litigation.

11 20. The schedule below provides a summary of the hours expended by timekeepers
12 from my Firm who performed work in this litigation. The schedule includes the name of each
13 person who worked on the case, hourly billing rates, the number of hours expended, the resulting
14 lodestar, and the bar passage year for each timekeeper. The backgrounds and qualifications of the
15 Pomerantz attorneys who worked on the matter are set forth in the Firm's resume.

16 21. The schedule below does not include hours expended by paralegal, secretarial,
17 administrative, or support staff.

18 22. To reasonably ensure that the present fee application represents only the time
19 spent on the claims subject to this litigation, I exercised my professional judgment and excluded
20 the billable hours that my Firm expended on the related action, *Independent Physical Therapists*
21 *of California v. MedRisk, LLC et al.*, Case No. RG 19045049.

22 23. Pomerantz's hourly rates are consistent with rates that have been approved by
23 other courts in California and nationwide, particularly for senior partners. Based on my
24 knowledge of the class action plaintiff's bar and my review of rates charged by my class action
25 colleagues, the rates charged by my Firm are in line with, or lower than, the rates charged by
26 other firms that handle class actions of similar size and complexity and are in line with rates
27 approved in cases in this district and prevailing in the community for similar services of lawyers
28 of comparable skill and reputation. *See Zysman Decl.* and exhibits thereto for state court

1 opinions that support the requested hourly rates, incorporated herein by reference. *See also*
2 *Orthopaedic Hosp. v. Encore Med., L.P.*, No. 3:19- cv-00970-JLS-AHG, 2021 U.S. Dist. LEXIS
3 225014, at *40 (S.D. Cal. Nov. 19, 2021) (2020 and 2021 partner rates of \$925-\$1,225, associate
4 rates of \$770-\$1,065); *Hefler v. Wells Fargo & Co.*, No. 16-CV-05479-JST, 2018 U.S. Dist.
5 LEXIS 213045, at *38 (N.D. Cal. Dec. 17, 2018) (approving rates from \$650 to \$1,250 for
6 partners or senior counsel, \$400 to \$650 for associates); *In re Case Volkswagen “Clean Diesel”*
7 *Mktg., Sales Practices, & Prods. Liab. Litig.*, No. 2672 CRB (JSC), 2017 U.S. Dist. LEXIS
8 39115, at *732 (N.D. Cal. Mar. 17, 2017) (\$275 to \$1,600 for partners, \$150 to \$790 for
9 associates, and \$80 to \$490 for paralegals); *Dickey v. Advanced Micro Devices, Inc.*, 202 WL
10 870928, at *8 (N.D. Cal. Feb. 21, 2020 (rates between \$275 and \$1,000 for attorneys found
11 reasonable)).

12 24. Pomerantz’s hourly rates also compare favorably to reported rates charged by the
13 law firms hired to defend class actions. For example, in *Nat’l Abortion Fedn v. Ctr. for Med.*
14 *Progress*, Case No. 15-cv-03522-WHO (N.D. Cal.), the Morrison & Foerster San Francisco
15 partner Derek Foran declared (ECF No. 756-2) that his standard billing rate was \$1,200 per hour
16 in 2021, that associate rates ranged from \$745 for 2018 graduates to \$925 for 2014 graduates,
17 and paralegals billed at \$295 to \$400 per hour. These hourly rates were approved as reasonable.
18 *Nat’l Abortion Fedn*, 2021 U.S. Dist. LEXIS 245090, at *16 (N.D. Cal. Dec. 23, 2021). In
19 *Planned Parenthood Fed’n of Am., Inc. v. Ctr. for Medical Progress*, No. 3:16-cv-00236-WHO
20 (N.D. Cal. Apr. 29, 2020), the court approved (ECF No. 1150, at 4) hourly rates for attorneys at
21 Arnold & Porter ranging from \$750 to \$1,150 per hour for partners, \$910 to \$1,280 per hour for
22 senior counsel, \$545 to \$910 per hour for associates, and \$390 to \$405 per hour for paralegals. In
23 *Ray v. CLH N.Y. Ave, LLC*, No. 19-cv-2841-RCL, 2022 U.S. Dist. LEXIS 114586, at *14 (D.C.
24 Cir. June 29, 2022), the court approved “courtesy discount rates” for Venable of up to \$1,010 as
25 reasonable hourly rates; *see also Aero Norfolk, LLC v. Philadelphia Truck Lines, Inc.*, Case No.
26 2:21-cv-00101- RCY-RJY (E.D. Va.) at ECF No. 23-2 (the April 11, 2022, declaration of
27 Venable litigation partner Caroline Gately declares that Venable’s standard rates “do not change
28

1 depending on the locale of the matter,” that she is a 1989 graduate, her 2022 standard rate is
2 \$1,000, and a 2020 law school graduate’s standard rate was \$440).

3 25. Further, based on my over 36 years of experience in complex litigation, my
4 hourly rate is also consistent with the Laffey Matrix, <http://www.laffeymatrix.com/see.html>,
5 which has been utilized by some courts in assessing the reasonableness of hourly rates. Based on
6 Mr. Bassier’s approximately 13 years of experience, his hourly rate is also consistent with the
7 Laffey Matrix.

8 26. The Firm’s records show the following hours performed in this litigation by
9 timekeeper, based on information proved to me, from inception through July 5, 2023.

10 Attorney	Hours	Rate	Lodestar	Bar Admission
11 Jordan L. Lurie (Partner)	713.2	\$900	\$641,880	1987
12 Ari Y. Bassier (Senior Associate)	144.3	\$685	\$98,845.50	2010

13
14 27. While the use of current hourly rates is appropriate here because it accounts for
15 the time value of money since Class Counsel have not been paid contemporaneously for their
16 work, for the purpose of this action only, my Firm’s lodestar calculations are based upon the
17 Firm’s lower rates in effect in 2019 (when this matter was initiated), not current billing rates.

18 28. The lodestar does not include additional work to be performed in this case
19 through and following the Final Approval Hearing including time preparing for and attending
20 Final Approval Hearing, fielding and responding to Settlement Class Member inquiries regarding
21 settlement, potential objectors and any appeals. I estimate that my firm will spend a minimum of
22 twenty (20) hours on this case through its conclusion. Accordingly, Class Counsel’s actual
23 lodestar will increase, and the effective lodestar is actually higher than the amount submitted
24 herein.

25 29. Settlement Class Counsel were able to focus on litigating the issues specific to
26 this case and harnessing the evidence in order to obtain the best settlement results for the
27 Settlement Class while minimizing the costs. The following chart summarizes the hours
28 expended by Pomerantz, grouping the time entries into categories by the nature of the activity,

1 and then provides detailed descriptions of tasks performed in each category. The purpose of this
2 chart is to provide sufficient information for the Court to review the time expended in this
3 matter.

Name (Status)	1	2	3	4	Total	Rate	Total
Jordan L. Lurie	94	163.8	82.6	372.8	713.20	\$900	\$641,880
Ari Y. Basser	24.9	52.5	13.7	53.2	144.30	\$685	\$98,845.50
Attorney Total:	118.9	216.3	96.3	426	857.50		\$740,725.50

11 The following are the tasks performed in each category by my Firm:

12 **Categories:**

13 (1) **Pre-Filing Investigation/Initial Complaint/Amended Complaint:** This includes: initial
14 contact and in-person meetings with the California Chiropractic Association (“CCA”) and its key
15 leadership Dr. Wayne Whalen, Dawn Benton and others over an eight-month period prior to
16 filing the Original Complaint; investigation of potential legal claims based on MedRisk’s
17 policies and practices of soliciting and receiving allegedly improper payments for the referral of
18 healthcare services and managing services provided to injured workers in violation of specific
19 provisions of the California Business and Professions Code, the Insurance Code, the Labor Code,
20 and the Health and Safety Code; evaluation and follow-up of inquiries and complaints initiated
21 by chiropractors relating to electronic billing/payment disputes with MedRisk in violation of
22 Labor Code §§ 4603.2, 4603.4, and 4603.6; and MedRisk’s efforts to comply with applicable
23 California law, including Labor Code §§139.32(c), 3215, and 3820; review and analysis of
24 confidential Survey conducted in 2018 and 2019 of member and non-member providers who had
25 existing contracts with MedRisk; pre-filing research and review of civil docket regarding any
26 litigation against MedRisk; research of applicable California Business & Professions Code §§
27 17200, and potential violations of Labor Code §§139.32(c), 3215, and 3820 and Labor Code §§
28

1 4603.2, 4603.4, and 4603.6 and regulations arising from MedRisk's pricing and referral practices
2 and electronic billing practices; review of MedRisk's dissemination of press releases and other
3 materials; monitoring and tracking of legal and legislative developments in the workers'
4 compensation system; review of available financial information relating to MedRisk's profits;
5 researching, drafting and filing of Original Federal Complaint, the Original State Complaint
6 following dismissal of Federal Complaint; and the First Amended Class Action Complaint based
7 on new allegations of organizational/associational standing; and evaluating scope of potential

7 Settlement and the anticipated attorneys' fee request, and of their right to object to any aspect of
8 the Settlement, to date, there have been no objections as to Class Counsel's fee request. The
9 absence of objections is further validation of the reasonableness of the fee request.

10 31. Further, given that Class Counsel's fee request actually represents a negative
11 multiplier compared to Class Counsel's total combined lodestar, as further explained in the
12 Motion, the fee request is more than reasonable.

13 32. Expense items are billed separately, and such charges are not duplicated in my
14 Firm's billing rates. The expense records are prepared from receipts, expense vouchers, check
15 records and other documents, and are an accurate record of the expenses, based on information
16 provided to me.

17 33. As of July 5, 2023, Pomerantz incurred and paid \$7,627.18 in costs attributed to
18 this litigation. In my professional opinion and experience, these costs are typical and reasonable
19 for a case of this type. A summary of these costs, from case inception through July 5, 2023, is
20 summarized by category below:

Expense Category	Amount
Filing Fees/Service Fees/Courtesy copies	\$6,846.29

Securities Litigation

Significant Landmarks

In re Petrobras Sec. Litig., No. 14-cv-9662 (S.D.N.Y. 2018)

On January 3, 2018, in a significant victory for investors, Pomerantz, as sole Lead Counsel for the class, along with Lead Plaintiff Universities Superannuation Scheme Limited (“USS”), achieved a historic \$2.95 billion settlement with *Petróleo Brasileiro S.A. (“Petrobras”)* and its related entity, *Petrobras International Finance Company*, as well as certain of *Petrobras’* former executives and directors. On February 2, 2018, Pomerantz and USS reached a \$50 million settlement with *Petrobras’* auditors, *PricewaterhouseCoopers Auditores Independentes*, bringing the total recovery for *Petrobras* investors to \$3 billion.

This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

The class action, brought on behalf of all purchasers of common and preferred American Depositary Shares (“ADSs”) on the New York Stock Exchange, as well as purchasers of certain *Petrobras* debt, principally alleged that *Petrobras* and its senior executives engaged in a multi-year, multi-billion-dollar money-laundering and bribery scheme, which was concealed from investors.

In addition to the multi-billion-dollar recovery for defrauded investors, Pomerantz secured precedent-setting decisions when the Second Circuit Court of Appeals squarely rejected defendants’ invitation to adopt the heightened ascertainability requirement promulgated by the Third Circuit, which would have required plaintiffs to demonstrate that determining membership in a class is “administratively feasible.” The Second Circuit’s rejection of this standard is not only a victory for bondholders in securities class actions, but also for plaintiffs in consumer fraud class actions and other class actions where documentation regarding Class membership is not readily attainable. The Second Circuit also refused to adopt a requirement, urged by defendants, that all securities class action plaintiffs seeking class certification prove through direct evidence (i.e., an event study) that the prices of the relevant securities moved in a particular direction in response to new information.

Pirnik v. Fiat Chrysler Automobiles N.V. et al., No. 1:15-cv-07199-JMF (S.D.N.Y)

In August 2019, Pomerantz, as Lead Counsel, achieved final approval of a \$110 million settlement for the Class in this high-profile securities class action. Plaintiffs alleged that *Fiat Chrysler* concealed from investors that it improperly outfitted its diesel vehicles with “defeat device” software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused *Fiat Chrysler* of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In addition to creating precedent-setting case law in successfully defending the various motions to dismiss the *Fiat Chrysler* litigation, Pomerantz also significantly advanced investors' ability to obtain critically important discovery from regulators that are often at the center of securities actions. During the litigation, Pomerantz sought the deposition of a former employee of the National Highway Traffic Safety Administration ("NHTSA"). The United States Department of Transportation ("USDOT"), like most federal agencies, has enacted a set of regulations — known as "Touhy regulations" — governing when its employees may be called by private parties to testify in court. On their face, USDOT's regulations apply to both "current" and "former" employees. In response to Pomerantz's request to depose a former employee of NHTSA that interacted with Fiat Chrysler, NHTSA denied the request, citing the Touhy regulation. Despite the widespread application, and assumed appropriateness, of applying these regulations to former employees throughout the case law, Pomerantz filed an action against USDOT and NHTSA, arguing that the statute pursuant to which the Touhy regulations were enacted speaks only of "employees," which should be interpreted to apply only to current employees. The court granted summary judgment in favor of Pomerantz's clients, holding that "USDOT's Touhy regulations are unlawful to the extent that they apply to former employees." This victory will greatly shift the discovery tools available, so that investor plaintiffs in securities class actions against highly regulated entities (for example, companies subject to FDA regulations) will now be able to depose former employees of the regulators that interacted with the defendants during the class period to get critical testimony concerning the company's violations and misdeeds.

Strougo v. Barclays PLC, No. 14-cv-5797 (S.D.N.Y.)

Pomerantz, as sole Lead Counsel in this high-profile securities class action, achieved a \$27 million settlement for defrauded investors in 2019. Plaintiffs alleged that defendants concealed information and misled investors regarding its management of its "LX" dark pool, a private trading platform where the size and price of the orders are not revealed to other participants. On November 6, 2017, the Second Circuit affirmed former District Court Judge Shira S. Scheindlin's February 2, 2016, Opinion and Order granting plaintiffs' motion for class certification in the case.

The Court of Appeals in *Barclays* held that direct evidence of price impact is not always necessary to demonstrate market efficiency, as required to invoke the *Basic* presumption of reliance, and was not required here. Significantly, when handing down its decision, the Second Circuit cited its own *Petrobras* decision, stating, "We have repeatedly—and recently—declined to adopt a particular test for market efficiency." *Wagoner v. Barclays PLC*, 875 F.3d 79, 94 (2d Cir. 2017).

The court held that defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. The court further held that it would be inconsistent with *Halliburton II* to "allow [] defendants to rebut the *Basic* presumption by simply producing *some* evidence of market inefficiency, but not demonstrating its inefficiency to the district court." *Id.* at 100. The court rejected defendants' contention that Federal Rule of Evidence 301 applies and made clear that the *Basic* presumption is a judicially created doctrine and thus the burden of persuasion properly shifts to defendants. The court thus confirmed that plaintiffs have no burden to show price impact at the class certification stage—a significant victory for investors.

In re Yahoo! Inc. Sec. Litig., No. 17-cv-00373 (N.D. Cal.)

On September 10, 2018, Pomerantz, as Co-Lead Counsel, achieved final approval of a historic \$80 million settlement for the Class in this ground-breaking litigation. The complaint, filed in January 2017, alleged

that the internet giant intentionally misled investors about its cybersecurity practices in the wake of massive data breaches in 2013 and 2014 that compromised the personal information of all 3 billion Yahoo customers. Plaintiffs allege that Yahoo violated federal securities laws by failing to disclose the breaches, which caused a subsequent stock price dive. This represents the first significant settlement to date of a securities fraud class action filed in response to a data breach.

As part of due diligence, Pomerantz located critical evidence showing that Yahoo's management had concurrent knowledge of at least one of the data breaches. Importantly, these records showed that Yahoo's Board of Directors, including Defendant CEO Marissa Mayer, had knowledge of and received repeated updates regarding the breach. In its public filings, Yahoo denied that the CEO knew about the breach, and the CEO's knowledge was a key issue in the case.

After receiving Plaintiffs' opposition to the motion to dismiss, but before the federal District Court ruled on the motion, the case settled for \$80 million. This early and large settlement reflects the strength of the complaint's allegations.

Kaplan v. S.A.C. Capital Advisors, L.P., No. 12-cv-9350 (S.D.N.Y.)

In May 2017, Pomerantz, as Co-Lead Counsel, achieved final approval of a \$135 million recovery for the Class in this securities class action that stemmed from what has been called the most profitable insider trading scheme in U.S. history. After years of vigorous litigation, billionaire Steven A. Cohen's former hedge fund, S.A.C. Capital Advisors LP, agreed to settle the lawsuit by investors in the drug maker Elan Corp, who said they lost money because of insider trading by one of his portfolio managers.

In re BP p.l.c. Securities Litigation, MDL No. 2185 (S.D. Tex.)

Beginning in 2012, Pomerantz pursued ground-breaking individual lawsuits for institutional investors to recover losses in BP p.l.c.'s London-traded common stock and NYSE-traded American Depositary Shares (ADSs) arising from its 2010 Gulf of Mexico oil spill. Over nine years, Pomerantz briefed and argued every significant dispute on behalf of 125+ institutional plaintiffs, successfully opposed three motions to dismiss, won other contested motions, oversaw e-discovery of 1.75 million party and non-party documents, led the Individual Action Plaintiffs Steering Committee, served as sole Liaison with BP and the Court, and worked tirelessly with our clients' outside investment management firms to develop crucial case evidence.

A threshold challenge was how to litigate in U.S. court given the U.S. Supreme Court's decision in *Morrison v. National Australia Bank*, 130 S. Ct. 2869 (2010), which barred recovery for losses in foreign-traded securities under the U.S. federal securities laws. In 2013 and 2014, Pomerantz won significant victories in defeating BP's *forum non conveniens* arguments, which sought to force dismissal of the English common law claims from U.S. courts for refiling in English courts, first as regards U.S. institutions and, later, foreign institutions. Pomerantz also defeated BP's attempt to extend the U.S. federal Securities Litigation Uniform Standards Act of 1998 to reach, and dismiss, these foreign law claims in deference to non-existent remedies under the U.S. federal securities laws. These rulings paved the way for 125+ global institutional investors to pursue their claims and marked the first time, post-*Morrison*, that U.S. and foreign investors, pursuing foreign claims seeking recovery for losses in a foreign company's foreign-traded securities, did so in a U.S. court. In 2017, Pomerantz earned an important victory that expanded investor rights under English law, permitting certain BP investors to pursue a

“holder claim” theory seeking to recover losses in securities held, rather than purchased anew, in reliance on the alleged fraud - a theory barred under the U.S. federal securities laws since *Blue Chip Stamps v. Manor Drug Stores*, 421 U.S. 723 (1975). This win was significant, given the dearth of precedent from anywhere recognizing the viability of a “holder claim” under any non-U.S. law and holding that a given plaintiff alleged facts sufficiently evidencing reliance and documenting the resulting retention of an identifiable amount of shares on a date certain.

In Q1 2021, Pomerantz secured confidential, favorable monetary settlements from BP for our nearly three dozen clients, including public and private pension funds, money management firms, partnerships, and investment trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia.

In re Comverse Technology, Inc. Sec. Litig., No. 06-CV-1825 (E.D.N.Y.)

In June 2010, Judge Nicholas G. Garaufis of the U.S. District Court for the Eastern District of New York granted final approval of a \$225 million settlement proposed by Pomerantz and Lead Plaintiff the Menora Group, with Comverse Technology and certain of Comverse’s former officers and directors, after four years of highly contested litigation. The *Comverse* settlement is one of the largest securities class action settlements reached since the passage of the Private Securities Litigation Reform Act (“PSLRA”).¹ It is the second-largest recovery in a securities litigation involving the backdating of options, as well as one of the largest recoveries – \$60 million – from an individual officer-defendant, Comverse’s founder and former CEO, Kobi Alexander.

Other significant settlements

Even before the enactment of the PSLRA, Pomerantz represented state agencies in securities class actions, including the Treasurer of the Commonwealth of Pennsylvania (recovered \$100 million) against a major investment bank. *In re Salomon Brothers Treasury Litig.*, No. 91-cv-5471 (S.D.N.Y.).

Pomerantz recovered \$50 million for the Treasurer of the State of New Jersey and several New Jersey pension funds in an individual action. This was a substantially higher recovery than what our clients would have obtained had they remained in a related federal class action. *Treasurer of State of New Jersey v. AOL Time Warner, Inc.* (N.J. Super. Ct. Law Div., Mercer Cty.).

Pomerantz has litigated numerous cases for the Louisiana School Employees’ Retirement System. For example, as Lead Counsel, Pomerantz recovered \$74.75 million in a securities fraud class action against Citigroup, its CEO Sanford Weill, and its now infamous telecommunications analyst Jack Grubman. *In re Salomon Analyst AT&T Litig.*, No. 02-cv-6801 (S.D.N.Y.) Also, the Firm played a major role in a complex antitrust and securities class action which settled for over \$1 billion. *In re NASDAQ Market-Makers Antitrust Litig.*, MDL No. 1023 (S.D.N.Y.). Pomerantz was a member of the Executive Committee in *In re Transkaryotic Therapies, Inc. Securities Litigation*, C.A. No. 03-10165 (D. Mass.), helping to win a \$50 million settlement for the class.

In 2008, together with Co-Counsel, Pomerantz identified a substantial opportunity for recovery of losses in Countrywide mortgage-backed securities (“MBS”) for three large New Mexico funds (New Mexico State Investment Council, New Mexico Public Employees’ Retirement Association, and New Mexico

¹ Institutional Shareholder Services, *SCAS Top 100 Settlements Quarterly Report* (Sept. 30, 2010).

Educational Retirement Board), which had been overlooked by all of the firms then in their securities litigation pool. We then filed the first non-class lawsuit by a public institution with respect to Countrywide MBS. See *N.M. State Inv. Council v. Countrywide Fin. Corp.*, No. D-0101-CV-2008-02289 (N.M. 1st Dist. Ct.). In Fall 2010, we negotiated for our clients an extremely favorable but confidential settlement.

Over its long history, Pomerantz has achieved significant settlements in numerous cases, a sampling of which is listed below:

- *In re Telerate, Inc. S'holders Litig.*, C.A. No. 1115 (Del. Ch. 1989)
\$95 million benefit in case alleging violation of fiduciary duty under state law.

Pomerantz has also obtained stellar results for private institutions and Taft-Hartley funds. Below are a few examples:

- *In re Charter Commc'ns, Inc. Sec. Litig.*, No. 02-cv-1186 (E.D. Mo. 2005) (sole Lead Counsel for Lead Plaintiff StoneRidge Investment Partners LLC); \$146.25 million class settlement, where Charter also agreed to enact substantive improvements in corporate governance.
- *In re Am. Italian Pasta Sec. Litig.*, No. 05-cv-865 (W.D. Mo. 2008) (sole Lead Counsel for Lead Plaintiff Ironworkers Locals 40, 361 and 417; \$28.5 million aggregate settlements).
- *Richardson v. Gray*, No. 116880/1995 (N.Y. Sup. Ct. N.Y. Cty. 1999); and *In re Summit Metals*, No. 98-2870 (Bankr. D. Del. 2004) (two derivative actions where the Firm represented C.C. Partners Ltd. and obtained judgment of contempt against controlling shareholder for having made “extraordinary” payments to himself in violation of a preliminary injunction; persuaded the court to jail him for two years upon his refusal to pay; and, in a related action, won a \$43 million judgment after trial and obtained turnover of stock of two companies).

Shaping the Law

Not only has Pomerantz established a long track record of obtaining substantial monetary recoveries for our clients; whenever appropriate, we also pursue corporate governance reforms on their behalf. In *In re Chesapeake Shareholders Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. 2011), for example, the Firm served as Co-Lead Counsel, representing a public pension client in a derivative case arising from an excessive compensation package granted to Chesapeake’s CEO and founder. This was a derivative action, not a class action. Yet it is illustrative of the results that can be obtained by an institutional investor in the corporate governance arena. There we obtained a settlement which called for the repayment of \$12.1 million and other consideration by the CEO. The Wall Street Journal (Nov. 3, 2011) characterized the settlement as “a rare concession for the 52-year-old executive, who has run the company largely by his own rules since he co-founded it in 1989.” The settlement also included comprehensive corporate governance reforms.

The Firm has won many landmark decisions that have enhanced shareholders’ rights and improved corporate governance. These include decisions that established that:

- defendants seeking to rebut the *Basic* presumption of reliance on an efficient market must do so by a preponderance of the evidence. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- plaintiffs have no burden to show price impact at the class certification stage. *Waggoner v. Barclays PLC*, 875 F.3d 79 (2d Cir. 2017) (*Strougo v. Barclays PLC*, in the court below);
- the ascertainability doctrine requires only that a class be defined using objective criteria that establish a membership with definite boundaries. *Universities Superannuation Scheme Ltd. v. Petróleo Brasileiro S.A. Petrobras*, 862 F.3d 250 (2d Cir. 2017);
- companies cannot adopt bylaws to regulate the rights of former stockholders. *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015);

Comments from the Courts

Throughout its history, courts time and again have acknowledged the Firm’s ability to vigorously pursue and successfully litigate actions on behalf of investors.

U.S. District Judge Noel L. Hillman, in approving the *In re Toronto-Dominion Bank Securities Litigation* settlement in October 2019, stated:

I commend counsel on both sides for their hard work, their very comprehensive and thoughtful submissions during the motion practice aspect of this case. ... It’s clear to me that this was comprehensive, extensive, thoughtful, meaningful litigation leading up to the settlement. ... This settlement appears to have been obtained through the hard work of the Pomerantz firm. ... It was through their efforts and not piggybacking on any other work that resulted in this settlement.

In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York wrote:

Let me thank counsel on both sides for the extraordinary work both sides did in bringing this matter to a reasonable conclusion. As the parties have indicated, the matter was intensely litigated, but it was done in the most extraordinary fashion with cooperation, collaboration, and high levels of professionalism on both sides, so I thank you.

In approving the \$3 billion settlement in *In re Petrobras Securities Litigation* in June 2018, Judge Jed S. Rakoff of the Southern District of New York wrote:

[T]he Court finds that Class Counsel's performance was in many respects exceptional, with the result that, as noted, the class is poised to enjoy a substantially larger per share recovery [65%] than the recovery enjoyed by numerous large and sophisticated plaintiffs who separately settled their claims.

At the hearing for preliminary approval of the settlement in *In re Petrobras Securities Litigation* in February 2018, Judge Rakoff stated:

[T]he lawyers in this case [are] some of the best lawyers in the United States, if not in the world.

Two years earlier, in certifying two Classes in *In re Petrobras Securities Litigation* in February 2016, Judge Rakoff wrote:

[O]n the basis not only of USS's counsel's prior experience but also the Court's observation of its advocacy over the many months since it was appointed Lead Counsel, the Court concludes that Pomerantz, the proposed class counsel, is "qualified, experienced and able to conduct the litigation." ... [T]he Pomerantz firm has both the skill and resources to represent the Classes adequately.

In approving the settlement in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880, 2016 U.S. Dist. LEXIS 144133 (S.D. Fla. Oct. 14, 2016) Judge Ursula Ungaro wrote:

Class Counsel has developed a reputation for zealous advocacy in securities class actions. ... The settlement amount of \$24 million is an outstanding result.

At the May 2015 hearing wherein the court approved the settlement in *Courtney v. Avid Technology, Inc.*, No. 13-cv-10686 (D. Mass. May 12, 2015), following oral argument by Jeremy A. Lieberman, Judge William G. Young stated:

This has been very well litigated. It is always a privilege. I don't just say that as a matter of form. And I thank you for the vigorous litigation that I've been permitted to be a part of. [Tr. at 8-9.]

At the January 2012 hearing wherein the court approved the settlement in *In re Chesapeake Energy Corp. Shareholder Derivative Litigation*, No. CJ-2009-3983 (Okla. Dist. Ct., Okla. Cty. Jan. 30, 2012), following oral argument by Marc I. Gross, Judge Daniel L. Owens stated:

Counsel, it's a pleasure, and I mean this and rarely say it. I think I've said it two times in 25 years. It is an extreme pleasure to deal with counsel of such caliber.
[Tr. at 48.]

In approving the \$225 million settlement in *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.) in June 2010, Judge Nicholas G. Garaufis stated:

As outlined above, the recovery in this case is one of the highest ever achieved in this type of securities action. ... The court also notes that, throughout this litigation, it has been impressed by Lead Counsel's acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation.

In approving a \$146.25 million settlement in *In re Charter Communications Securities Litigation*, No. 02-CV-1186, 2005 U.S. Dist. LEXIS 14772 (E.D. Mo. June 30, 2005), in which Pomerantz served as sole Lead Counsel, Judge Charles A. Shaw praised the Firm's efforts, citing "the vigor with which Lead Counsel ... investigated claims, briefed the motions to dismiss, and negotiated the settlement." He further stated:

This Court believes Lead Plaintiff achieved an excellent result in a complex action, where the risk of obtaining a significantly smaller recovery, if any, was substantial.

In approving a \$24 million settlement in *In re Force Protection, Inc.*, No. 08 CV 845 (D.S.C. 2011), Judge C. Weston Houk described the Firm as "attorneys of great ability and great reputation" and commended the Firm for having "done an excellent job."

In certifying a class in a securities fraud action against analysts in *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Judge Gerard D. Lynch stated that Pomerantz had "ably and zealously represented the interests of the class."

Numerous courts have made similar comments:

- Appointing Pomerantz Lead Counsel in *American Italian Pasta Co. Securities Litigation*, No 05-CV-0725 (W.D. Mo.), a class action that involved a massive fraud and restatements spanning several years, the District Court observed that the Firm "has significant experience (and has been extremely effective) litigating securities class actions, employs highly qualified attorneys, and possesses ample resources to effectively manage the class litigation and protect the class's interests."
- In approving the settlement in *In re Wiring Devices Antitrust Litigation*, MDL No. 331 (E.D.N.Y. Sept. 9, 1980), Chief Judge Jack B. Weinstein stated that "Counsel for the plaintiffs I think did an excellent job. ... They are outstanding and skillful. The litigation was and is extremely complex. They assumed a great deal of responsibility. They recovered a very large amount given the possibility of no recovery here which was in my opinion substantial."
- In *Snyder v. Nationwide Insurance Co.*, No. 97/0633, (N.Y. Supreme Court, Onondaga Cty.), a case where Pomerantz served as Co-Lead Counsel, Judge Tormey stated, "It was a pleasure to work with you. This is a good result. You've got some great attorneys working on it."
- In *Steinberg v. Nationwide Mutual Insurance Co.* (E.D.N.Y. 2004), Judge Spatt, granting class certification and appointing the Firm as class counsel, observed: "The Pomerantz firm has a strong reputation as class counsel and has demonstrated its competence to serve as class counsel in this motion for class certification." (224 F.R.D. 67, 766.)
- In *Mercury Savings & Loan*, No. 90-cv-00087 LHM (C.D. Cal. 1993), Judge McLaughlin commended the Firm for the "absolutely extraordinary job in this litigation."

- In *Boardwalk Marketplace Securities Litigation*, MDL No. 712 (D. Conn.), Judge Eginton described the Firm’s services as “exemplary,” praised it for its “usual fine job of lawyering ...[in] an extremely complex matter,” and concluded that the case was “very well-handled and managed.” (Tr. at 6, 5/20/92; Tr. at 10, 10/10/92.)
- In *Nodar v. Weksel*, No. 84 Civ. 3870 (S.D.N.Y.), Judge Broderick acknowledged “that the services rendered [by Pomerantz] were excellent services from the point of view of the class represented, [and] the result was an excellent result.” (Tr. at 21-22, 12/27/90.)
- In *Klein v. A.G. Becker Paribas, Inc.*, No. 83 Civ. 6456 (S.D.N.Y.), Judge Goettel complimented the Firm for providing “excellent ...absolutely top-drawer representation for the class, particularly in light of the vigorous defense offered by the defense firm.” (Tr. at 22, 3/6/87.)
- In *Digital Securities Litigation*, No. 83-3255 (D. Mass.), Judge Young lauded the Firm for its “[v]ery fine lawyering.” (Tr. at 13, 9/18/86.)
- In *Shelter Realty Corp. v. Allied Maintenance Corp.*, 75 F.R.D. 34, 40 (S.D.N.Y. 1977), Judge Frankel, referring to Pomerantz, said: “Their experience in handling class actions of this nature is known to the court and certainly puts to rest any doubt that the absent class members will receive the quality of representation to which they are entitled.”
- In *Rauch v. Bilzerian*, No. 88 Civ. 15624 (N.J. Sup. Ct.), the court, after trial, referred to Pomerantz partners as “exceptionally competent counsel,” and as having provided “top drawer, topflight [representation], certainly as good as I’ve seen in my stay on this court.”

Corporate Governance Litigation

Pomerantz is committed to ensuring that companies adhere to responsible business practices and practice good corporate citizenship. We strongly support policies and procedures designed to give shareholders the ability to oversee the activities of a corporation. We vigorously pursue corporate governance reform, particularly in the area of excess compensation, where it can address the growing disparity between the salaries of executives and the workers of major corporations. We have successfully utilized litigation to bring about corporate governance reform in numerous cases, and always consider whether such reforms are appropriate before any case is settled.

Pomerantz’s Corporate Governance Practice Group, led by Partner Gustavo F. Bruckner, enforces shareholder rights and prosecutes actions challenging corporate transactions that arise from an unfair process or result in an unfair price for shareholders.

In September 2017, New Jersey Superior Court Judge Julio Mendez, of Cape May County Chancery Division, approved Pomerantz’s settlement in a litigation against Ocean Shore Holding Co. The settlement provided non-pecuniary benefits for a non-opt out class. In so doing, Judge Mendez became the first New Jersey state court judge to formally adopt the Third Circuit’s nine-part *Girsh* factors, *Girsh v. Jepsen*, 521 F.2d 153 (3d Cir. 1975). There has never before been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate. After conducting an analysis of each of the nine *Girsh* factors and holding that “class actions settlements involving non-monetary benefits to the class are subject to more exacting scrutiny,” Judge Mendez held that the proposed settlement provided a material benefit to the shareholders.

In February 2018, the Maryland Circuit Court, Montgomery County, approved a \$17.5 million settlement that plaintiffs achieved as additional consideration on behalf of a class of shareholders of American Capital, Ltd. *In re Am. Capital, Ltd. S'holder Litig.*, C.A. No. 422598-V (2018). The settlement resolved Plaintiffs' claims regarding a forced sale of American Capital.

Pomerantz filed an action challenging the sale of American Capital, a Delaware corporation with its headquarters in Maryland. Among other things, American Capital's board of directors (the "Board") agreed to sell the company at a price below what two other bidders were willing to offer. Worse, the merger price was even below the amount that shareholders would have received in the company's planned phased liquidation, which the company was considering under pressure from Elliott Management, an activist hedge fund and holder of approximate 15% of American Capital stock. Elliott was not originally named as a defendant, but after initial discovery showed the extent of its involvement in the Board's breaches of fiduciary duty, Elliott was added as a defendant in an amended complaint under the theory that Elliott exercised actual control over the Board's decision-making. Elliott moved to dismiss on jurisdictional grounds and additionally challenged its alleged status as a controller of American Capital. In June 2017, minutes before the hearing on defendants' motion to dismiss, a partial settlement was entered into with the members of the Board for \$11.5 million. The motion to dismiss hearing proceeded despite the partial settlement, but only as to Elliott. In July 2017, the court denied the motion to dismiss, finding that Elliott, "by virtue solely of its own conduct, ... has easily satisfied the transacting business prong of the Maryland long arm statute." The court also found that the "amended complaint in this case sufficiently pleads that Elliott was a controller with respect to" the sale, thus implicating a higher standard of review. Elliott subsequently settled the remaining claims for an additional \$6 million. Pomerantz served as Co-Lead Counsel.

In May 2017, the Circuit Court of the State of Oregon approved the settlement achieved by Pomerantz and co-counsel of a derivative action brought by two shareholders of Lithia Motors, Inc. The lawsuit alleged breach of fiduciary duties by the board of directors in approving, without any meaningful review, the Transition Agreement between Lithia Motors and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, Bryan DeBoer, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

The *Lithia* settlement extracted corporate governance therapeutics that provide substantial benefits to Lithia and its shareholders and redress the wrongdoing alleged by plaintiffs. The board will now be required to have at least five independent directors -- as defined under the New York Stock Exchange rules -- by 2020; a number of other new protocols will be in place to prevent self-dealing by board members. Further, the settlement calls for the Transition Agreement to be reviewed by an independent auditor who will determine whether the annual payments of \$1,060,000 for life to Sidney DeBoer are reasonable. Lithia has agreed to accept whatever decision the auditor makes.

In January 2017, the Group received approval of the Delaware Chancery Court for a \$5.6 million settlement it achieved on behalf of a class of shareholders of Physicians Formula Holdings Inc. over an ignored merger offer in 2012. *In re Physicians Formula Holdings Inc.*, C.A. No. 7794-VCL (Del. Ch.).

The Group obtained a landmark ruling in *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch.), that fee-shifting bylaws adopted after a challenged transaction do not apply to shareholders affected by the transaction. They were also able to obtain a 25% price increase for members of the class cashed out in the going private transaction.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Super. Ct.), the Group caused Implant Sciences to hold its first shareholder annual meeting in five years and put an important compensation grant up for a shareholder vote.

In *Smollar v. Potarazu*, C.A. No. 10287-VCN (Del. Ch.), the Group pursued a derivative action to bring about the appointment of two independent members to the board of directors, retention of an independent auditor, dissemination of financials to shareholders and the holding of first ever in-person annual meeting, among other corporate therapeutics.

In *Hallandale Beach Police Officers & Firefighters' Personnel Retirement Fund vs. Lululemon athletica, Inc.*, C.A. No. 8522-VCP (Del. Ch.), in an issue of first impression in Delaware, the Chancery Court ordered the production of the chairman's 10b5-1 stock trading plan. The court found that a stock trading plan established by the company's chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman's stock in the company, did not preclude potential liability for insider trading.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct.), the Group caused the Merger Agreement to be amended to provide a "majority of the minority" provision for the holders of North State Bancorp's common stock in connection with the shareholder vote on the merger. As a result of the Action, common shareholders could stop the merger if they did not wish it to go forward.

Pomerantz's commitment to advancing sound corporate governance principles is further demonstrated by the more than 26 years that we have co-sponsored the Abraham L. Pomerantz Lecture Series with Brooklyn Law School. These lectures focus on critical and emerging issues concerning shareholder rights and corporate governance and bring together top academics and litigators.

Our bi-monthly newsletter, *The Pomerantz Monitor*, provides institutional investors updates and insights on current issues in corporate governance.

Strategic Consumer Litigation

Pomerantz's Strategic Consumer Litigation practice group, led by Partner Jordan Lurie, represents consumers in actions that seek to recover monetary and injunctive relief on behalf of class members while also advocating for important consumer rights. The attorneys in this group have successfully prosecuted claims involving California's Unfair Competition Law, California's Consumers Legal Remedies Act, the Song Beverly Consumer Warranty Act and the Song Beverly Credit Card Act. They have resolved data breach privacy cases and cases involving unlawful recording, illegal background checks, unfair business practices, misleading advertising, and other consumer finance related actions. All of these actions also have resulted in significant changes to defendants' business practices.

Pomerantz currently represents consumers in a nationwide class action against Facebook for mistargeting ads. Plaintiff alleges that Facebook programmatically displays a material percentage of ads to users outside the defined target market and displays ads to “serial Likers” outside the defined target audience in order to boost Facebook’s revenue. *IntegrityMessageBoards.com v. Facebook, Inc. (N.D. Cal.) Case No. 4:18 -cv-05286 PJH*.

Pomerantz has pioneered litigation to establish claims for public injunctive relief under California’s unfair business practices statute. For example, Pomerantz has filed cases seeking to prevent major auto manufacturers from unauthorized access to, and use of, drivers’ vehicle data without compensation, and seeking to require the auto companies to share diagnostic data extracted from drivers’ vehicles. The Strategic Consumer Litigation practice group also is prosecuting class cases against auto manufacturers for failing to properly identify high-priced parts that must be covered in California under extended emissions warranties.

Other consumer matters handled by Pomerantz’s Strategic Consumer Litigation practice group include actions involving cryptocurrency, medical billing, price fixing, and false advertising of various consumer products and services.

Antitrust Litigation

Pomerantz has earned a reputation for prosecuting complex antitrust and consumer class actions with vigor, innovation, and success. Pomerantz’s Antitrust and Consumer Group has recovered billions of dollars for the Firm’s business and individual clients and the classes that they represent. Time and again, Pomerantz has protected our free-market system from anticompetitive conduct such as price fixing, monopolization, exclusive territorial division, pernicious pharmaceutical conduct, and false advertising. Pomerantz’s advocacy has spanned across diverse product markets, exhibiting the Antitrust and Consumer Group’s versatility to prosecute class actions on any terrain.

Pomerantz has served and is currently serving in leadership or Co-Leadership roles in several high-profile multi-district litigation class actions. In December 2018, the Firm achieved a \$31 billion partial settlement with three defendants on behalf of a class of U.S. lending institutions that originated, purchased or held loans paying interest rates tied to the U.S. Dollar London Interbank Offered Rate (USD LIBOR). It is alleged that the class suffered damages as a result of collusive manipulation by the LIBOR contributor panel banks that artificially suppressed the USD LIBOR rate during the class period, causing the class members to receive lower interest payments than they would have otherwise received. *In re Libor Based Financial Instruments Antitrust Litig.*, 1:11-md-2262.

Pomerantz represented baseball and hockey fans in a game-changing antitrust class action against Major League Baseball and the National Hockey League, challenging the exclusive territorial division of live television broadcasts, internet streaming, and the resulting geographic blackouts. *See Laumann v. NHL and Garber v. MLB* (S.D.N.Y. 2012).

Pomerantz has spearheaded the effort to challenge harmful anticompetitive conduct by pharmaceutical companies—including Pay-for-Delay Agreements—that artificially inflates the price of prescription drugs by keeping generic versions off the market.

Even prior to the 2013 precedential U.S. Supreme Court decision in *Actavis*, Pomerantz litigated and successfully settled the following generic-drug-delay cases:

- *In re Flonase Antitrust Litig.* (E.D. Pa. 2008) (\$35 million);
- *In re Toprol XL Antitrust Litig.* (D. Del. 2006) (\$11 million); and
- *In re Wellbutrin SR Antitrust Litig.* (E.D. Pa. 2004) (\$21.5 million).

Other exemplary victories include Pomerantz's prominent role in *In re NASDAQ Market-Makers Antitrust Litigation* (S.D.N.Y.), which resulted in a settlement in excess of \$1 billion for class members, one of the largest antitrust settlements in history. Pomerantz also played prominent roles in *In re Sorbates Direct Purchaser Antitrust Litigation* (N.D. Cal.), which resulted in over an \$82 million recovery, and in *In re Methionine Antitrust Litigation* (N.D. Cal.), which resulted in a \$107 million recovery. These cases illustrate the resources, expertise, and commitment that Pomerantz's Antitrust Group devotes to prosecuting some of the most egregious anticompetitive conduct.

Jeremy A. Lieberman

Jeremy A. Lieberman is Pomerantz’s Managing Partner. He became associated with the Firm in August 2004 and was elevated to Partner in January 2010. The Legal 500, in honoring Jeremy as a Leading Lawyer and Pomerantz as a 2021 and 2022 Tier 1 Plaintiffs Securities Law Firm, stated that “Jeremy Lieberman is super impressive – a formidable adversary for any defense firm.” Among the client testimonials posted on The Legal 500’s website: “Jeremy Lieberman led the case for us with remarkable and unrelenting energy and aggression. He made a number of excellent strategic decisions which boosted our recovery.” Lawdragon named Jeremy among the 2021 Leading 500 Lawyers in the United States. Super Lawyers® named him among the Top 100 Lawyers in the New York Metro area in 2021. In 2020, Jeremy won a Distinguished Leader award from the *New York Law Journal*. He was honored as Benchmark Litigation’s 2019 Plaintiff Attorney of the Year. In 2018, Jeremy was honored as a Titan of the Plaintiffs Bar by Law360 and as a Benchmark Litigation Star. The Pomerantz team that Jeremy leads was named a 2018 Securities Practice Group of the Year.

Jeremy led the securities class action litigation *In re Petrobras Securities Litigation*, which arose from a multi-billion-dollar kickback and bribery scheme involving Brazil’s largest oil company, Petróleo Brasileiro S.A. – Petrobras, in which Pomerantz was sole Lead Counsel. The biggest instance of corruption in the history of Brazil ensnared not only Petrobras’ former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. In January and February 2018, Jeremy achieved a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

Jeremy also secured a significant victory for Petrobras investors at the Second Circuit Court of Appeals, when the court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by the Third Circuit Courts of Appeals. The ruling will have a positive impact on plaintiffs in securities fraud litigation. Indeed, the *Petrobras* litigation was honored in 2019 as a National Impact Case by Benchmark Litigation.

Jeremy was Lead Counsel in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y.), in which the Firm achieved a \$110 million settlement for the class. Plaintiff alleged that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with “defeat device” software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provided the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

In November 2019, Jeremy achieved a critical victory for investors in the securities fraud class action against Perrigo Co. plc when Judge Arleo of the United States District Court for the District of New Jersey certified classes of investors that purchased Perrigo securities on both the New York Stock Exchange and the Tel Aviv Stock Exchange. Pomerantz represents a number of institutional investors that purchased Perrigo securities on both exchanges after an offer by Mylan N.V. to tender Perrigo shares. This is the first time since *Morrison* that a U.S. court has independently analyzed the market of a security traded on a non-U.S. exchange and found that it met the standards of market efficiency necessary allow for class certification.

Jeremy heads the Firm’s individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. (together, “Teva”), and certain of Teva’s current and former employees and officers, relating to alleged anticompetitive practices in Teva’s sales of generic drugs. Teva is a dual-listed company, and the Firm represents several Israeli institutional investors who purchased Teva shares on the Tel Aviv Stock Exchange. In early 2021, Pomerantz achieved a major victory for global investors when the district court agreed to exercise supplemental jurisdiction over the Israeli law claims. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.*

In 2019, Jeremy achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investors about the manipulation of the banking giant’s so-called “dark pool” trading systems in order to provide a trading advantage to high-frequency traders over its institutional investor clients. This case turned on the duty of integrity owed by Barclays to its clients. In November 2017, Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production.

Jeremy led the Firm’s securities class action litigation against Yahoo! Inc., in which Pomerantz, as Lead Counsel, achieved an \$80 million settlement for the Class in 2018. The case involved the biggest data breaches in U.S. history, in which over 3 billion Yahoo accounts were compromised. This was the first significant settlement to date of a securities fraud class action filed in response to a data breach.

In 2018 Jeremy achieved a \$3,300,000 settlement for the Class in the Firm's securities class action against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.* (C.D. Cal.).

Jeremy led the Firm's litigation team that in 2018 secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the London Interbank Offered Rate (LIBOR) rigging scandal.

In *In re China North East Petroleum Corp. Securities Litigation*, Jeremy achieved a significant victory for shareholders in the United States Court of Appeals for the Second Circuit, whereby the Appeals Court ruled that a temporary rise in share price above its purchase price in the aftermath of a corrective disclosure did not eviscerate an investor's claim for damages. The Second Circuit's decision was deemed "precedential" by the *New York Law Journal* and provides critical guidance for assessing damages in a § 10(b) action.

Jeremy had an integral role in *In re Comverse Technology, Inc. Securities Litigation*, in which he and his partners achieved a historic \$225 million settlement on behalf of the Class, which was the second-largest options backdating settlement to date.

Jeremy regularly consults with Pomerantz's international institutional clients, including pension funds, regarding their rights under the U.S. securities laws. Jeremy is working with the Firm's international clients to craft a response to the Supreme Court's ruling in *Morrison v. National Australia Bank, Ltd.*, which limited the ability of foreign investors to seek redress under the federal securities laws.

Jeremy is a frequent lecturer worldwide regarding current corporate governance and securities litigation issues.

Jeremy graduated from Fordham University School of Law in 2002. While in law school, he served as a staff member of the *Fordham Urban Law Journal*. Upon graduation, he began his career at a major New York law firm as a litigation associate, where he specialized in complex commercial litigation.

Jeremy is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York, the Southern District of Texas, the District of Colorado, the Eastern District of Michigan, the Eastern District of Wisconsin, and the Northern District of Illinois; the United States Courts of Appeals for the First, Second, Third, Fourth, Fifth, Sixth, Ninth, and Tenth Circuits; and the United States Supreme Court.

Gustavo F. Bruckner

Gustavo F. Bruckner heads Pomerantz's Corporate Governance practice group, which enforces shareholder rights and prosecutes litigation challenging corporate actions that harm shareholders. Under Gustavo's leadership, the Corporate Governance group has achieved numerous noteworthy litigation successes. He has been quoted on corporate governance issues by *The New York Times*, *The*

Wall Street Journal, *Bloomberg*, *Law360*, and *Reuters*, and was honored from 2016 through 2021 by Super Lawyers® as a “Top-Rated Securities Litigation Attorney,” a recognition bestowed on no more than 5% of eligible attorneys in the New York Metro area. Gustavo regularly appears in state and federal courts across the nation. Gustavo presented at the prestigious Institute for Law and Economic Policy conference.

Gustavo is a fierce advocate of aggressive corporate clawback policies that allow companies to recover damages from officers and directors for reputational and financial harm. Most recently, in *McIntosh vs Keizer, et al.*, Docket No. 2018-0386 (Del. Ch.), Pomerantz filed a derivative suit on behalf of Hertz Global Holdings, Inc. shareholders, seeking to compel the Hertz board of directors to claw back millions of dollars in unearned and undeserved payments that the Company made to former officers and directors who significantly damaged Hertz through years of wrongdoing and misconduct. Under pressure from plaintiff’s litigation efforts, the Hertz board of directors elected to take unprecedented action and mooted plaintiff’s claims, initiating litigation to recover tens of millions of dollars in incentive compensation and more than \$200 million in damages from culpable former Hertz executives.

Pomerantz through initiation and prosecution of a shareholder derivative action, forced the Hertz board to seek clawback from former officers and directors of the company, unjustly enriched after causing the Company to file inaccurate and false financial statements leading to a \$235 million restatement and \$16 million fee to the SEC.

In September 2017, Gustavo’s Corporate Governance team achieved a settlement in New Jersey Superior Court that provided non-pecuniary benefits for a non-opt out class. In approving the settlement, Judge Julio Mendez, of Cape May County Chancery Division, became the first New Jersey state court judge to formally adopt the Third Circuit’s nine-part *Girsh* factors, *Girsh v. Jepson*, 521 F.2d 153 (3d Cir. 1975). Never before has there been a published New Jersey state court opinion setting out the factors a court must consider in evaluating whether a class action settlement should be determined to be fair and adequate.

Gustavo successfully argued *Strougo v. Hollander*, C.A. No. 9770-CB (Del. Ch. 2015), obtaining a landmark ruling in Delaware that bylaws adopted after shareholders are cashed out do not apply to shareholders affected by the transaction. In the process, Gustavo and the Corporate Governance team beat back a fee-shifting bylaw and were able to obtain a 25% price increase for members of the class cashed out in the “going private” transaction. Shortly thereafter, the Delaware Legislature adopted legislation to ban fee-shifting bylaws.

In *Stein v. DeBoer* (Or. Cir. Ct. 2017), Gustavo and the Corporate Governance group achieved a settlement that provides significant corporate governance therapeutics on behalf of shareholders of Lithia Motors, Inc. The company’s board had approved, without meaningful review, the Transition Agreement between the company and Sidney DeBoer, its founder, controlling shareholder, CEO, and Chairman, who was stepping down as CEO. DeBoer and his son, the current CEO, negotiated virtually all the material terms of the Agreement, by which the company agreed to pay the senior DeBoer \$1,060,000 and a \$42,000 car allowance annually for the rest of his life, plus other benefits, in addition to the \$200,000 per year that he would receive for continuing to serve as Chairman.

In *Miller v. Bolduc*, No. SUCV 2015-00807 (Mass. Sup. Ct. 2015), Gustavo and the Corporate Governance group, by initiating litigation, caused Implant Sciences to hold its first shareholder annual meeting in 5 years and to place an important compensation grant up for a shareholder vote.

In *Strougo v. North State Bancorp*, No. 15 CVS 14696 (N.C. Super. Ct. 2015), Gustavo and the Corporate Governance team caused the North State Bancorp merger agreement to be amended to provide a “majority of the minority” provision for common shareholders in connection with the shareholder vote on the merger. As a result of the action, common shareholders had the ability to stop the merger if they did not wish it to go forward.

In *Hallandale Beach Police Officers and Firefighters’ Personnel Retirement Fund vs. Lululemon athletica, Inc.*, C.A. No. 8522-VCP (Del. Ch. 2014), in an issue of first impression in Delaware, Gustavo successfully argued for the production of the company chairman’s Rule 10b5-1 stock trading plan. The court found that a stock trading plan established by the company's chairman, pursuant to which a broker, rather than the chairman himself, would liquidate a portion of the chairman's stock in the company, did not preclude potential liability for insider trading.

Gustavo was Co-Lead Counsel in *In re Great Wolf Resorts, Inc. Shareholders Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), obtaining the elimination of stand-still provisions that allowed third parties to bid for Great Wolf Resorts, Inc., resulting in the emergence of a third-party bidder and approximately \$94 million (57%) in additional merger consideration for Great Wolf shareholders.

Gustavo received his law degree in 1992 from the Benjamin N. Cardozo School of Law, where he served as an editor of the Moot Court Board and on the Student Council. Upon graduation, he received the award for outstanding student service.

After graduating law school, Gustavo served as Chief-of-Staff to a New York City legislator.

Gustavo is a Mentor and Coach to the NYU Stern School of Business, Berkley Center for Entrepreneurial Studies, New Venture Competition. He was a University Scholar at NYU where he obtained a B.S. in Marketing and International Business in 1988 and an MBA in Finance and International Business in 1989.

Gustavo is a Trustee and former Treasurer of the Beit Rabban Day School, and an arbitrator in the Civil Court of the City of New York.

Gustavo is admitted to practice in New York and New Jersey; the United States District Courts for the Eastern, Northern, and Southern Districts of New York and the District of New Jersey; the United States Courts of Appeals for the Second and Seventh Circuits; and the United States Supreme Court.

Emma Gilmore

Emma Gilmore is a Partner at Pomerantz and is regularly involved in high-profile class-action litigation. In 2022, Benchmark Litigation shortlisted her for Plaintiff Attorney of the Year. In 2021, Emma was

awarded a spot on *National Law Journal's* prestigious Elite Women of the Plaintiffs Bar list. In 2021 and 2020, she was named by Benchmark Litigation as one of the Top 250 Women in Litigation — an honor bestowed on only seven plaintiffs' lawyers in the U.S. those years. The *National Law Journal* and the *New York Law Journal* honored her as a "Plaintiffs' Lawyer Trailblazer". Emma was honored by Law360 in 2018 as an MVP in Securities Litigation, part of an "elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals." Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Emma is the first woman plaintiff attorney to receive this outstanding award since it was initiated in 2011. Emma has been honored since 2018 as a Super Lawyer®. She has been recognized by Lawdragon as one of the top 500 Leading Plaintiff Financial Lawyers.

Emma is regularly invited to speak about recent trends and developments in securities litigation. She serves on the New York City Bar Association's Securities Litigation Committee. Emma regularly counsels clients around the world on how to maximize recoveries on their investments.

Emma played a leading role in the Firm's class action case in the Southern District of New York against Brazil's largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm was sole Lead Counsel. In a significant victory for investors, Pomerantz achieved a historic \$3 billion settlement with Petrobras. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a class action involving a foreign issuer, the fifth-largest class action settlement ever achieved in the United States, and the largest settlement achieved by a foreign lead plaintiff. The biggest instance of corruption in the history of Brazil had ensnared not only Petrobras' former executives but also Brazilian politicians, including former president Lula da Silva and one-third of the Brazilian Congress. Emma traveled to Brazil to uncover evidence of fraud and drafted the complaint. She deposed and defended numerous fact and expert witnesses, including deposing the former CEO of Petrobras, the whistleblower, and the chief accountant. She drafted the appellate brief, playing an instrumental role in securing a significant victory for investors in this case at the Second Circuit Court of Appeals, when the Court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts. She opposed defendants' petition for a writ of certiorari to the Supreme Court. Emma successfully obtained sanctions against a professional objector challenging the integrity of the settlement, both in the District Court and in the Court of Appeals for the Second Circuit.

Emma organized a group of twenty-seven of the foremost U.S. scholars in the field of evidence and spearheaded the effort to submit an amicus brief to the U.S. Supreme Court on their behalf in a critical issue for investors. One of the two pending issues before the High Court in *Goldman Sachs Group Inc. et al v. Arkansas Teachers Retirement System, et al.* (No. 20-222) squarely affected investors' ability to pursue claims collectively as a class: whether, in order to rebut the presumption of reliance originated by the Court in the landmark *Basic v. Levinson* decision, defendants bear the burden of persuasion, or whether they bear only the much lower burden of production. The scholars argued that defendants

carry the higher burden of persuasion. In a 6-3 decision, the Supreme Court sided with Pomerantz and the scholars.

Emma led the Firm's class action litigation against Deutsche Bank and its executives, arising from the Bank's improper anti-money-laundering and know-your-customer procedures. Plaintiffs alleged that, despite the Bank's representations that it implemented a "robust and strict" Know Your Customer program with "special safeguards" for politically exposed persons (PEPs), defendants repeatedly exempted high-net-worth individuals and PEPs from any meaningful due diligence, enabling their criminal activities through the Bank's facilities. For example, Deutsche Bank continued "business as usual" with Jeffrey Epstein even after learning that 40 underage girls had come forward with testimony that he had sexually assaulted them. Deutsche Bank's former CEOs also onboarded, retained, and serviced Russian oligarchs and other clients reportedly engaged in criminal activities, with little or no due diligence. On October 20, 2022, Emma secured for investors nearly 50% of recoverable damages, which reflects a premium for the palpable misconduct and is exceptionally high for securities class action settlements. The Deutsche Bank litigation and settlement serve as important legal precedents aimed to deter financial institutions from enabling the wealthy and powerful to commit crimes in return for financial benefits to the institutions.

Emma co-leads the Firm's securities class action against Amazon arising from the behemoth's anti-competitive practices, which are also the subject of investigations by the U.S Congress and foreign regulators. Amazon is accused of misrepresenting its business dealing with third-party sellers on its market platform. Unbeknownst to investors, Amazon repeatedly misappropriated third-party sellers' data to create competing products, tied and bundled its products, exploited its power over third party sellers and favored its private-label products to the detriment of third-party sellers and consumers. The lawsuit seeks to recover billions of dollars in damages on behalf of defrauded investors.

Emma played a leading role in *Strougo v. Barclays PLC*, a high-profile securities class action that alleged Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. She secured an important precedent-setting opinion from the Second Circuit. Emma organized a group of leading evidence experts who filed amicus briefs supporting plaintiffs' position in the Second Circuit.

Emma secured a unanimous decision by a panel of the Ninth Circuit Court of Appeals, benefiting defrauded investors in *Costa Brava Partnership III LP v. ChinaCast Education Corp.* In an issue of first impression, the Ninth Circuit held that imputation of the CEO's scienter to the company was warranted vis-a-vis innocent third parties, despite the fact that the executive acted for his own benefit and to the company's detriment.

She has also devoted a significant amount of time to pro bono matters. She played a critical role in securing a unanimous ruling by the Arkansas Supreme Court striking down as unconstitutional a state law banning cohabiting individuals from adopting children or serving as foster parents. The ruling was a

relief for the 1,600-plus children in the state of Arkansas who needed a permanent family. The litigation generated significant publicity, including coverage by the *Arkansas Times*, *the Wall Street Journal*, and *the New York Times*.

She is Lead Counsel in the Firm's class action litigation against Arconic, arising from the deadliest U.K. fire in more than a century. Arconic is the U.S. company that manufactured the highly flammable aluminum cladding allegedly responsible for the inferno that eradicated the public housing, killing 71 people and injuring over 70 other tenants. Arconic repeatedly misrepresented to the market its safety protocols and the safety classification of its cladding products. When the truth about Arconic's unsafe practices emerged, investors lost over \$1 billion in damages.

Before joining Pomerantz, Emma was a litigation associate with the firms of Skadden, Arps, Slate, Meagher and Flom, LLP, and Sullivan & Cromwell, LLP. She worked on the *WorldCom Securities Litigation*, which settled for \$2 billion.

She also served as a law clerk to the Honorable Thomas C. Platt, former U.S. Chief Judge for the Eastern District of New York.

Emma graduated *cum laude* from Brooklyn Law School, where she served as a staff editor for the *Brooklyn Law Review*. She was the recipient of two CALI Excellence for the Future Awards, in the subjects of evidence and discovery. She graduated *summa cum laude* from Arizona State University, with a BA in French and a minor in Business.

She serves on the Firm's Anti-Harassment and Discrimination Committee.

Michael Grunfeld

Michael Grunfeld joined Pomerantz in July 2017 as Of Counsel and was elevated to Partner in 2019.

Michael has extensive experience in securities, complex commercial, and white-collar matters in federal and state courts around the country.

He has played a leading role in some of the Firm's significant class action litigation, including its case against Yahoo! Inc. arising out of the biggest data breaches in U.S. history, in which the Firm, as Lead Counsel, achieved an \$80 million settlement on behalf of the Class. This settlement made history as the first substantial shareholder recovery in a securities fraud class action related to a cybersecurity breach. Michael also plays a leading role in many of the Firm's other ongoing class actions.

Michael is an honoree of Benchmark Litigation's 40 & Under Hot List 2020, 2021, and 2022, granted to a few of the "best and brightest law firm partners who stand out in their practices." In 2020, 2021, and 2022, Michael was recognized by Super Lawyers® as a Top-Rated Securities Litigation Attorney;" in 2018 and 2019 he was honored as a New York Metro Rising Star.

Michael also leads Pomerantz's litigation on behalf of the Colorado Public Employees' Retirement System as an intervenor in *The Doris Behr 2012 Irrevocable Trust v. Johnson & Johnson*. At issue is an activist investor's attempt to have Johnson & Johnson ("J&J") shareholders vote on a proxy proposal instituting a corporate bylaw that would require all securities fraud claims against the company to be pursued through mandatory arbitration, and that would waive shareholder's rights to bring securities class actions. In March 2022, the district court handed down an important victory for shareholders when it granted J&J's and the Intervenors' Motion to Dismiss the Third Amended Complaint.

Michael is the co-author of a chapter on damages in securities class actions in the LexisNexis treatise, *Litigating Securities Class Actions*.

Michael served as a clerk for Judge Ronald Gilman of the Sixth Circuit Court of Appeals and as a foreign law clerk for Justice Asher Grunis of the Israeli Supreme Court. Before joining Pomerantz, he was a litigation associate at Shearman & Sterling LLP and Paul, Weiss, Rifkind, Wharton & Garrison LLP.

Michael graduated from Columbia Law School in 2008, where he was a Harlan Fiske Stone Scholar and Submissions Editor of the Columbia Business Law Review. He graduated from Harvard University with an A.B. in Government, *magna cum laude*, in 2004.

Michael is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York and the District of Colorado; and the United States Courts of Appeal for the Second, Third, Fourth, Sixth, Ninth, and Tenth Circuits.

Omar Jafri

Omar Jafri is a Partner at Pomerantz. He represents defrauded investors in individual and class action securities litigation. In 2021, Omar was recognized by the *National Law Journal* as a Rising Star of the Plaintiffs' Bar. The *National Law Journal* selected lawyers who "demonstrated repeated success in cutting-edge work on behalf of plaintiffs over the last 18 months [and] possess a solid track record of client wins over the past three to five years." In 2021, 2022 and 2023, Omar was recognized by Super Lawyers® as a Rising Star in Securities Litigation.

Omar has played an integral role in numerous cases where the Firm achieved significant recoveries for defrauded shareholders as Lead, Co-Lead or Additional Counsel, including: *In re Chicago Bridge & Iron Co. N.V. Securities Litigation* (\$44 million recovery); *In re Juno Therapeutics, Inc. Securities Litigation* (\$24 million recovery); *In re Aveo Pharmaceuticals, Inc. Securities Litigation* (\$18 million recovery, which was more than four times larger than the SEC's fair fund recovery in its parallel litigation); *Sudunagunta v. NantKwest, Inc.* (\$12 million settlement); *Cooper v. Thoratec Corporation et. al.* (\$11.9 million settlement following a reversal in the United States Court of Appeals for the Ninth Circuit after the lower court repeatedly dismissed the case); *Thomas v. MagnaChip Semiconductor Corp. Securities Litigation* (\$6.2 million settlement with majority shareholder, Avenue Capital); *Schaeffer v. Nabriva Therapeutics plc et. al.* (\$3 million settlement); and *In re Sequans Communications S.A. Securities Litigation* (\$2.75 million settlement).

Together with Partner Joshua Silverman, Omar regularly plays a lead role in the Firm's representation of defrauded investors in connection with complex cases that involve billions of dollars in damages.

Through vigorous litigation, Omar has helped shape important precedents for all investors. *NantKwest* was the first case in the United States to recognize statistical proof of traceability. In *Roofers Pension Fund v. Papa et. al.*, the District Court independently analyzed the market of a security traded on a foreign exchange and found that it met the standards of market efficiency to allow for class certification for the first time since the U.S. Supreme Court decided *Morrison*. *Nabriva* was the first case in the Second Circuit to sustain a complaint based on the failure to disclose the FDA's serious criticisms identified in a Form 483 letter. And in *Yan v. ReWalk Robotics et. al.*, while the United States Court of Appeals for the First Circuit disagreed on the merits, the Circuit held that it is erroneous to dismiss a case for lack of standing when a named plaintiff can be substituted with another class member, shutting the door on such defense tactics in any future case filed in that Circuit.

Omar started his legal career at the height of the financial crisis in 2008, and has litigated major disputes on behalf of institutional investors arising out of the credit crisis, including disputes related to Collateralized Debt Obligations, Residential Mortgage-Backed Securities, Credit Default Swaps and other complex financial investments. Omar also represented the Examiner in the *Lehman Brothers* bankruptcy, the largest in history at the time, and helped draft a report that identified colorable claims against Lehman's senior executives for violating their fiduciary duties. He also has a robust *pro bono* criminal defense practice and has represented indigent defendants charged with crimes that range from simple battery to arson and murder.

Before joining Pomerantz, Omar was a law clerk to Judge William S. Duffey, Jr. of the United States District Court for the Northern District of Georgia, and an associate at an international law firm where he represented clients in a wide variety of matters, including securities litigation, complex commercial litigation, white collar criminal defense, and internal investigations.

He is a fellow of the American Bar Foundation.

Jordan has litigated shareholder class and derivative actions, complex corporate securities and consumer litigation, and a wide range of fraud and misrepresentation cases brought under state and federal consumer protection statutes involving unfair competition, false advertising, and privacy rights. Among his notable representations, Jordan served as Lead Counsel in the prosecution and successful resolution of major nationwide class actions against Nissan, Ford, Volkswagen, BMW, Toyota, Chrysler and General Motors. He also successfully preserved a multi-million dollar nationwide automotive class action settlement by convincing the then Chief Judge of the Ninth Circuit and his wife, who were also class members and had filed objections to the settlement, to withdraw their objections and endorse the settlement.

Jordan has argued cases in the California Court of Appeals and in the Ninth Circuit that resulted in published opinions establishing class members' rights to intervene and clarifying the standing requirements for an objector to appeal. She helped secure a significant victory for investors in this case at the Second Circuit Court of Appeals, when the court rejected the heightened ascertainability requirement for obtaining class certification that had been imposed by other Circuit courts such as the Third and Sixth Circuit Courts of Appeals. Working closely with Lead Plaintiff, Universities Superannuation Scheme Limited, she was also instrumental in achieving the historic settlement of \$3 billion for Petrobras investors. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the

largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

In 2018, Pomerantz achieved a settlement of \$3 million plus 300,000 shares for defrauded investors – an excellent recovery in light of the company’s bankruptcy. *Isensee v. KaloBios*. Jennifer also helped achieve a \$10 million recovery for the class in a securities litigation against the bankrupt Californian energy company, PG&E, which arose from allegedly false statements made by the company about its rolling power outages in the wake of the catastrophic wildfire incidents that occurred in California in 2015, 2017, and 2018. *Vataj v. Johnson, et al.*

Jennifer earned a Bachelor of Science degree in Psychology at Thames Valley University in England, prior to studying law. She earned her law degrees at Thames Valley University (G.D.L.) and the Inns of Court School of Law (L.P.C.) in the U.K.

Before studying law in England, Jennifer was a regulated financial advisor and senior mortgage underwriter at a major U.K. financial institution. She holds full CeFA and CeMAP qualifications. Prior to joining Pomerantz, Jennifer was an associate with Robbins Geller Rudman & Dowd LLP in their San Diego office.

Jennifer regularly travels throughout the U.S. and Europe to advise clients on how best to evaluate losses to their investment portfolios attributable to financial fraud or other misconduct, and how best to maximize their potential recoveries. Jennifer is also a regular speaker at events on securities litigation and fiduciary duty.

Jennifer served on the Honorary Steering Committee of Equal Rights Advocates (“ERA”), which focuses on specific issues that women face in the legal profession. ERA is an organization that protects and expands economic and educational access and opportunities for women and girls.

Jennifer is a member of the National Association of Pension Fund Attorneys and represents the Firm as a member of the California Association of Public Retirement Systems, the State Association of County Retirement Systems, the National Association of State Treasurers, the National Conference of Employee Retirement Systems, the Texas Association of Public Employee Retirement Systems, and the U.K.’s National Association of Pension Funds.

Joshua B. Silverman

Joshua B. Silverman is a partner in the Firm’s Chicago office. He specializes in individual and class action securities litigation.

Josh was Lead Counsel in *In re Groupon, Inc. Securities Litigation*, achieving a \$45 million settlement, one of the highest percentage recoveries in the Seventh Circuit. He was also Lead or Co-Lead Counsel in *In re MannKind Corp. Securities Litigation* (\$23 million settlement); *In re AVEO Pharmaceuticals, Inc. Securities Litigation* (\$18 million settlement, more than four times larger than the SEC's fair fund recovery in parallel litigation); *New Mexico State Investment Council v. Countrywide Financial Corp.* (very favorable confidential settlement); *New Mexico State Investment Council v. Cheslock Bakker & Associates* (summary judgment award in excess of \$30 million); *Sudunagunta v. NantKwest, Inc.* (\$12 million settlement); *Bruce v. Suntech Power Holdings Corp.* (\$5 million settlement); *In re AgFeed, Inc. Securities Litigation* (\$7 million settlement); and *In re Hemispherx BioPharma Securities Litigation* (\$2.75 million settlement). Josh also played a key role in the Firm's representation of investors before the United States Supreme Court in *StoneRidge*, and prosecuted many of the Firm's other class cases, including *In re Sealed Air Corp. Securities Litigation* (\$20 million settlement).

Josh, together with Managing Partner Jeremy Lieberman, achieved a critical victory for investors in the securities fraud class action against Perrigo Co. plc when Judge Arleo of the United States District Court for the District of New Jersey certified classes of investors that purchased Perrigo securities on both the New York Stock Exchange and the Tel Aviv Stock Exchange. Pomerantz represents a number of institutional investors that purchased Perrigo securities on both exchanges after an offer by Mylan N.V. to tender Perrigo shares. This is the first time since *Morrison* that a U.S. court has independently analyzed the market of a security traded on a non-U.S. exchange, and found that it met the standards of market efficiency necessary allow for class certification.

Several of Josh's cases have set important precedent. For example, *In re MannKind* established that investors may support complaints with expert information. *New Mexico v. Countrywide* recognized that investors may show Section 11 damages for asset-backed securities even if there has been no interruption in payment or threat of default. More recently, *NantKwest* was the first Section 11 case in the nation to recognize statistical proof of traceability.

In addition to prosecuting cases, Josh regularly speaks at investor conferences and continuing legal education programs.

Before joining Pomerantz, Josh practiced at McGuireWoods LLP and its Chicago predecessor, Ross & Hardies, where he represented one of the largest independent futures commission merchants in commodities fraud and civil RICO cases. He also spent two years as a securities trader, and continues to actively trade stocks, futures, and options for his own account.

Josh is a 1993 graduate of the University of Michigan, where he received Phi Beta Kappa honors, and a 1996 graduate of the University of Michigan Law School.

Josh is admitted to practice in Illinois; the United States District Court for the Northern District of Illinois; the United States Courts of Appeals for the First, Second, Third, Seventh, Eighth and Ninth Circuits; and the United States Supreme Court.

Brenda Szydlo

Brenda Szydlo joined Pomerantz in January 2016 as Of Counsel and was elevated to Partner in 2022. She brings to the Firm extensive experience in complex civil litigation in federal and state court on behalf of

plaintiffs and defendants, with a particular focus on securities and financial fraud litigation, litigation against pharmaceutical corporations, accountants' liability, and commercial litigation. Brenda played a leading role in the Firm's securities class action case in the Southern District of New York against Brazil's largest oil company, Petrobras, arising from a multi-billion-dollar kickback and bribery scheme, in which the Firm, as sole Lead Counsel, achieved a precedent-setting legal ruling and a historic \$3 billion settlement for the Class. This is not only the largest securities class action settlement in a decade but is the largest settlement ever in a securities class action involving a foreign issuer, the fifth-largest securities class action settlement ever achieved in the United States, the largest securities class action settlement achieved by a foreign Lead Plaintiff, and the largest securities class action settlement in history not involving a restatement of financial reports.

Brenda has represented investors in additional class and private actions that have resulted in significant recoveries, such as *In re Pfizer, Inc. Securities Litigation*, where the recovery was \$486 million, and *In re Refco, Inc. Securities Litigation*, where the recovery was in excess of \$407 million. She has also represented investors in opt-out securities actions, such as investors opting out of *In re Bank of America Corp. Securities, Derivative & ERISA Litigation* in order to pursue their own securities action.

Prior to joining Pomerantz, Brenda served as Senior Counsel in a prominent plaintiff advocacy firm, where she represented clients in securities and financial fraud litigation, and litigation against pharmaceutical corporations and accounting firms. Brenda also served as Counsel in the litigation department of one of the largest premier law firms in the world, where her practice focused on defending individuals and corporation in securities litigation and enforcement, accountants' liability actions, and commercial litigation.

Brenda is admitted to practice in New York; United States District Courts for the Southern and Eastern Districts of New York; the U.S. Courts of Appeals for the Second and Ninth Circuits; and the United States Supreme Court.

Matthew L. Tuccillo

A Partner since 2013, Matthew L. Tuccillo joined Pomerantz in 2011. With 23+ years of experience, he is recognized as a top national securities litigator.

Matt serves as the Firm's lead litigator on high-stakes securities class action litigation in courts nationwide. He closely advises his institutional clients, which are regularly appointed to serve as lead plaintiffs overseeing such lawsuits. His current caseload includes multiple billion-dollar lawsuits headed by his clients. Matt's representative cases include:

- In *In re Miniso Group Holding Limited Securities Litigation*, No. CV-22-5815 (MR Wx) (S.D.N.Y.), one of Matt's foreign pension fund clients has been appointed lead plaintiff to oversee class action

claims arising from a China-based retail company's U.S. IPO. An amended complaint will be filed and a motion to dismiss will be litigated in 2023.

- In *In re Emergent Biosolutions, Inc. Securities Litigation*, No. 8:21-cv-00955-PWG (D. Md.), arising from a company's COVID-19 vaccine manufacturing failures, one of Matt's foreign pension fund clients serves as court-appointed lead plaintiff. Matt filed a robust amended complaint, based on confidential sources and extensive U.S. government documents, and has opposed the motion to dismiss, with a ruling expected in 2023.

- In *Edwards v. McDermott Int'l, Inc.*, No. 4:18-cv-4330-AB (S.D. Tex.), Matt successfully opposed a motion to dismiss a class action lawsuit, led by one of his foreign pension fund clients, alleging a years-long, multi-prong fraud by an engineering and construction company that did a risky merger, belatedly reported massive write-downs, and declared bankruptcy. Matt has secured court orders in discovery requiring defendants to review for production over 1.25 million documents identified by running plaintiff-authored search terms on plaintiff-selected custodians.

- In *Chun v. Fluor Corp., et al.*, No. 3:18-cv-01338-S (N.D. Tex.), with two of his U.S. municipal pension fund clients serving as co-lead plaintiffs, Matt served as co-lead counsel in hard-fought litigation concerning underperforming, large-scale, fixed-bid projects through two motions to dismiss. A months-long mediation and negotiation process resulted in a court-approved \$33 million settlement, which was a 37.5% recovery of the upheld claim value.

- In *Odonate Therapeutics, Inc., et al.*, No. 3:20-01828-H-LL (S.D. Cal.), Matt successfully opposed a motion to dismiss in a securities lawsuit arising from a pharmaceuticals company's failure to advance its lead drug candidate to FDA approval. Notably, the court held that defendants' scienter (intent) was sufficiently pled, even though they bought, rather than sold, company stock during the period of alleged fraud. A successful mediation resulted in a court-approved \$12.75 million settlement.

- In *In re BP p.l.c. Secs. Litig.*, No. 4:10-md-2185 (S.D. Tex.), where the court praised the "uniformly excellent" "quality of lawyering," Matt spearheaded lawsuits over BP's Gulf of Mexico oil spill by 125+ global institutional investors. Over 9 years, he successfully opposed three motions to dismiss, oversaw e-discovery of 1.75 million documents, led the Plaintiffs Steering Committee, was the sole interface with BP and the Court, and secured some of the Firm's most ground-breaking rulings. In a ruling of first impression, he successfully argued that investors asserted viable English law "holder claims" for losses due to retention of already-owned shares in reliance on a fraud, a theory barred under U.S. law since *Blue Chip Stamps v. Manor Drug Stores*, 421 U.S. 723 (1975). He successfully argued against *forum non conveniens* (wrong forum) dismissal of 80+ global institutions' lawsuits - the first ruling after *Morrison v. Nat'l Australia Bank Ltd.*, 130 S. Ct. 2869 (2010), to permit foreign investors to pursue in U.S. court their foreign law claims for losses in a foreign company's securities traded on a foreign exchange. He successfully argued that the U.S. Securities Litigation Uniform Standards Act of 1998 (SLUSA), which extinguishes U.S. state law claims in deference to the U.S. federal law, should not extend to the foreign law claims of U.S. and foreign investors, a ruling that

saved those claims from dismissal where U.S. federal law afforded no remedy after *Morrison*. In 2021, Matt achieved mediator-assisted, confidential, favorable monetary settlement for all 35 Firm clients including public and private pension funds, money management firms, partnerships, and trusts from the U.S., Canada, the U.K., France, the Netherlands, and Australia. Notably, seven of these plaintiffs were Matt's institutional clients from the U.S., U.K., and Canada.

- In *In re Toronto-Dominion Bank Securities Litigation*, No. 1:17-cv-01735 (D.N.J.), Matt pled a multi-year fraud arising at one of Canada's largest banks, based on extensive statements by former employees detailing underlying retail banking misconduct. Matt persuaded the court to reject a motion to dismiss in an order noteworthy because it validated the scienter (intent) pleading despite no witness speaking directly to the individual defendants' state of mind. The court approved a \$13.25 million class-wide settlement achieved after mediation.

- In *Perez v. Higher One Holdings, Inc., et al.*, No. 14-cv-00755-AWT (D. Conn.), Matt persuaded the court, after an initial dismissal, to uphold a second amended complaint asserting five threads of fraud by an education funding company and its founders and to approve a \$7.5 million class-wide settlement. Notably, the court held that the company's reported financial results violated SEC Regulation S-K, Item 303, for failure to disclose known trends and impacts from underlying misconduct – a rare ruling absent an accounting restatement.

- In *In re KaloBios Pharmaceuticals, Inc. Securities Litigation*, No. 15-cv-05841 (N.D. Cal.), a lawsuit against a bankrupt drug company and its jailed ex-CEO, Matt negotiated two class-wide settlements totaling \$3.25+ million, including cash payments and stock from the company, that were approved by the bankruptcy and district courts.

- In *In re Silvercorp Metals, Inc. Securities Litigation*, No. 1:12-cv-09456 (S.D.N.Y.), Matt worked with mining, accounting, damages, and market efficiency experts to survive a motion to dismiss by a Canadian company with mining operations in China and NYSE-traded stock. In approving the \$14 million settlement achieved after two mediations, Judge Rakoff called the case “unusually complex,” given the technical nature of mining metrics, the need to compare mining standards in Canada, China, and the U.S., and the volume of Chinese-language evidence.

Matt was also on the multi-firm team that represented commercial real estate investors against the Empire State Building's long-term lessees/operators regarding a consolidation, REIT formation, and IPO in *In re Empire State Realty Trust, Inc. Investor Litig.*, No. 650607/2012 (N.Y. Sup. Ct.), which was resolve for a \$55 million cash/securities settlement fund, a \$100 million tax benefit from restructured terms, remedial disclosures, and deal protections.

Matt regularly counsels institutional investors, foreign and domestic, regarding pending or potential complex litigation in the U.S. He is skilled at identifying potential securities frauds early, regularly providing clients with the first opportunity to evaluate and pursue their claims, and he has worked extensively with outside investment management firms retained by clients to identify a winning set of supporting evidence. When litigation is filed, he fully oversees its conduct and resolution, counseling

clients throughout every step of the process, while handling all significant motions and courtroom arguments. These skills have enabled him to sign numerous institutional clients for litigation and portfolio monitoring services, including public and private pension plans, investment management firms and sponsored investment vehicles, from both the U.S. and abroad. Matt's clients have spearheaded the Firm's litigation efforts in the *BP*, *Fluor*, *McDermott*, *Emergent*, and *Miniso* litigations discussed above.

Matt takes great pride in representing union clients. He got his own union card as a teenager (United Food & Commercial Workers International Union, Local 371), following in the footsteps of his grandfather (International Brotherhood of Teamsters, Local 560).

Before joining Pomerantz, Matt worked at a large full-service firm then plaintiff-side boutique firms in Boston and Connecticut, litigating complex business disputes and securities, consumer, and employment class actions. His pro bono work included securing Social Security benefits for a veteran with non-service-related disabilities.

Matt graduated from the Georgetown University Law Center in 1999, where he made the Dean's List. He graduated from Wesleyan University in 1995, and among his various volunteer activities, he served as President of the Wesleyan Lawyers Association from 2017-2020.

His has been named a *Super Lawyers*® "Top-Rated Securities Litigation Attorney" (2016-present), *Benchmark* Litigation Star (2021-present), *Legal 500* Recommended Securities Litigator (2016, 2021), *American Lawyer* Northeast Trailblazer (2021), *Lawdragon* Leading Plaintiff Financial Lawyer (2019-2020), and a *Martindale-Hubbell* AV® Preeminent™ peer-rated attorney (2014-present). He is regularly admitted *pro hac vice* in state and federal courts nationwide.

Austin P. Van

Austin focuses his practice on high-profile securities class actions. In 2020, Austin was named by Law360 in 2020 as an MVP in Securities Litigation, part of an "elite slate of attorneys [who] have distinguished themselves from their peers by securing hard-earned successes in high-stakes litigation, complex global matters and record-breaking deals." Only up to six attorneys nationwide are selected each year as MVPs in Securities Litigation. Austin was name to Benchmark Litigations "40 and Under Hotlist" in 2020 and 2021. Austin has been recognized by Lawdragon as one of the top 500 Leading Plaintiff Financial Lawyers and has been named as a Recommended Lawyer by The Legal 500. Every year from 2018 through 2021, Austin has been honored as a Super Lawyers® Rising Star.

With Pomerantz Managing Partner Jeremy Lieberman, Austin heads the firm's representation of lead plaintiffs in a securities class action against drug behemoth Mylan N.V. This multi-billion-dollar litigation is one of the largest securities class actions pending anywhere. The complaint alleges that Mylan misled investors about wide-ranging wrongful conduct in what some estimate to be the largest price-fixing conspiracy in U.S. history. Austin devised the central theories of the case and authored all three amended complaints in this matter, which has continued to expand. He authored all of lead plaintiffs' three successful opposition briefs to defendants' motions to dismiss, in 2018, 2019, and 2020 respectively, as well as lead plaintiffs' successful arguments for class certification in 2019. In April 2020, the court rejected the Defendants' motion to dismiss the third amended complaint in a precedent-setting decision concerning scheme liability, and certified a class of investors spanning five years, all based on Austin's arguments. He led fact discovery in the matter, which consisted of review and distillation of millions of documents, orchestrated the Class's thirty fact depositions, and most recently, completed overseeing the Class's submission of five expert reports, totaling thousands of pages of expert disclosures.

Austin led Pomerantz's securities class action against TechnipFMC, an oil and gas services provider. He uncovered the theory of this case: that TechnipFMC massively overstated its net income in its initial registration statement due to its use of incorrect foreign exchange rates. Austin successfully argued at oral argument in 2018 that the Court should deny defendants' motion to dismiss the central claim in the matter. In 2019, Austin successfully argued lead plaintiff's motion for class certification. He led the class through complete preparations for trial. The case settled in 2020 for approximately \$20 million.

Austin led a successful securities class action at Pomerantz against Rockwell Medical, Inc. and served as co-lead counsel on the matter with another firm. Austin extensively investigated the facts of this case and drafted the operative complaint. At a pre-motion conference for Defendants' motion to dismiss, District Senior Judge Allyn R. Ross stated: "based on what I have reviewed, it is virtually inconceivable to me that the consolidated amended complaint could possibly be dismissed on a Rule 12(b)(6) motion or a Rule 9(b) motion" and that the proposed motion practice "would be a complete waste of time and resources of counsel, of the clients' money, and my time." Defendants declined even to move to dismiss the complaint and settled the case in 2019 for \$3.7 million—a highly favorable settlement for the Class.

Austin received a J.D. from Yale Law School, where he was an editor of the Yale Law Journal and the Yale Journal of International Law. He has a B.A. from Yale University and an M.Sc. from the London School of Economics.

Austin is admitted to practice law in New York and New Jersey; the United States District Courts for the Southern and Eastern Districts of New York, the District of New Jersey, the Northern District of Illinois, and the Southern District of Texas; and the United States Courts of Appeals for the First and Second Circuits.

Murielle Steven Walsh

Murielle Steven Walsh joined the Firm in 1998 and was elevated to Partner in 2007. In 2022, Murielle was selected to participate on Law360's Securities Editorial Board. She was named a 2020 Plaintiffs' Lawyer Trailblazer by the *National Law Journal*, an award created to "honor a handful of individuals from each practice area that are truly agents of change" and was also honored as a 2020 Plaintiffs'

Trailblazer by the *New York Law Journal*. Murielle was honored in 2019, 2020 and 2021 as a Super Lawyers® “Top-Rated Securities Litigation Attorney,” a recognition bestowed on 5% of eligible attorneys in the New York Metro area. Lawdragon name her a Top Plaintiffs’ Financial Lawyer in 2019 and 2020.

During her career at Pomerantz, Murielle has prosecuted highly successful securities class action and corporate governance cases. She was one of the lead attorneys litigating *In re Livent Noteholders’ Securities Litigation*, a securities class action in which she obtained a \$36 million judgment against the company’s top officers, a ruling which was upheld by the Second Circuit on appeal. Murielle was also part of the team litigating *EBC I v. Goldman Sachs*, where the Firm obtained a landmark ruling from the New York Court of Appeals, that underwriters may owe fiduciary duties to their issuer clients in the context of a firm-commitment underwriting of an initial public offering.

Murielle leads the Firm’s securities class action against Wynn Resorts Ltd., in which Pomerantz is lead counsel. The litigation arises from the company’s concealment of a long-running pattern of sexual misconduct against Wynn employees by billionaire casino mogul Stephen Wynn, the company’s founder and former Chief Executive Officer. In May 2020, the court granted the defendants’ motion to dismiss while granting Pomerantz leave to amend. In May 2020, the court granted the defendants’ motion to dismiss while granting Pomerantz leave to amend its complaint. The defendants moved to dismiss the newly amended complaint, but the court denied their motion in part, sustaining claims that arose from critical misstatements by the company. The case is now in discovery. *Ferris v. Wynn Resorts Ltd.*, No. 18-cv-479 (D. Nev.)

In a securities class action against Ormat Technologies, Inc., Murielle achieved a \$3,750,000 settlement on behalf of defrauded investors in January 2021. Ormat’s securities are dual-listed on the NYSE and the Tel Aviv Stock Exchange. Murielle persuaded the district court in exercise supplemental jurisdiction in order to apply U.S. securities law to the claims in the case, regardless of where investors purchased their securities.

Murielle led the Firm’s ground-breaking litigation that arose from the popular Pokémon Go game, in which Pomerantz was lead counsel. Pokémon Go is an “augmented reality” game in which players use their smart phones to “catch” Pokémon in real-world surroundings. GPS coordinates provided by defendants to gamers included directing the public to private property without the owners’ permission, amounting to an alleged mass nuisance. *In re Pokémon Go Nuisance*, No. 3:16-cv-04300 (N.D. Cal.)

Murielle was co-lead counsel in *Thorpe v. Walter Investment Management Corp.*, No. 14-cv-20880 (S.D. Fla.), a securities fraud class action challenging the defendants’ representations that their lending activities were regulatory-compliant, when in fact the company’s key subsidiary engaged in rampant violations of federal consumer financial protection laws, subjecting it to various government investigations and a pending enforcement action by the CFPB and FTC. In 2016, the Firm obtained a \$24 million settlement on behalf of the class. She was also co-lead counsel in *Robb v. Fitbit Inc.*, No. 16-cv-00151 (N.D. Cal.), a securities class action alleging that the defendants misrepresented that their key product delivered “highly accurate” heart rate readings when in fact their technology did not consistently deliver accurate readings during exercise and its inaccuracy posed serious health risks to users of Fitbit’s products. The Firm obtained a \$33 million settlement on behalf of the investor class in this action.

In 2018 Murielle, along with then-Senior Partner Jeremy Lieberman, achieved a \$3,300,000 settlement for the Class in the Firm's case against Corinthian Colleges, one of the largest for-profit college systems in the country, for alleged misrepresentations about its job placement rates, compliance with applicable regulations, and enrollment statistics. Pomerantz prevailed in the motion to dismiss the proceedings, a particularly noteworthy victory because Chief Judge George King of the Central District of California had dismissed two prior lawsuits against Corinthian with similar allegations. *Erickson v. Corinthian Colleges, Inc.*, No. 2:13-cv-07466 (C.D. Cal.).

Murielle serves as a member and on the Executive Committee of the Board of Trustees of the non-profit organization Court Appointed Special Advocates for Children ("CASA") of Monmouth County. She served on the Honorary Steering Committee of Equal Rights Advocates ("ERA"), which focuses on and discusses specific issues that women face in the legal profession. ERA is an organization that protects and expands economic and educational access and opportunities for women and girls. In the past, Murielle served as a member of the editorial board for Class Action Reports, a Solicitor for the Legal Aid Associates Campaign, and has been involved in political asylum work with the Association of the Bar of the City of New York.

Murielle serves on the Firm's Anti-Harassment and Discrimination Committee.

Murielle graduated *cum laude* from New York Law School in 1996, where she was the recipient of the Irving Mariash Scholarship. During law school, Murielle interned with the Kings County District Attorney and worked within the mergers and acquisitions group of Sullivan & Cromwell.

Murielle is admitted to practice in New York; the United States District Court for the Southern District of New York; and the United States Courts of Appeals for the Second and Sixth Circuits.

Tamar A. Weinrib

Tamar A. Weinrib joined Pomerantz in 2008. She was Of Counsel to the Firm from 2014 through 2018 and was elevated to Partner in 2019. In 2020, The Legal 500 honored her as a Next Generation Partner. Tamar was named a 2018 Rising Star under 40 years of age by Law360, a prestigious honor awarded to a select few "top litigators and dealmakers practicing at a level usually seen from veteran attorneys." Tamar has been recognized by Super Lawyers® as a 2021 "Top-Rated Securities Litigation Attorney;" she was honored as a New York Metro Rising Star every year from 2014 to 2019.

In 2019, Tamar and Managing Partner Jeremy Lieberman achieved a \$27 million settlement for the Class in *Strougo v. Barclays PLC*, a high-profile securities class action in which Pomerantz was Lead Counsel. Plaintiffs alleged that Barclays PLC misled institutional investor clients about the extent of the banking giant's use of so-called "dark pool" trading systems. This case turned on the duty of integrity owed by Barclays to its clients. In November 2016, Tamar and Jeremy achieved precedent-setting victories for investors, when the Second Circuit Court of Appeals held that direct evidence of price impact is not always necessary to demonstrate market efficiency to invoke the presumption of reliance, and that defendants seeking to rebut the presumption of reliance must do so by a preponderance of the evidence rather than merely meeting a burden of production. In 2018, Tamar successfully opposed Defendants' petition to the Supreme Court for a writ of certiorari.

In approving the settlement in *Strougo v. Barclays PLC* in June 2019, Judge Victor Marrero of the Southern District of New York stated:

Let me thank counsel on both sides for the extraordinary work both sides did in bringing this matter to a reasonable conclusion. As the parties have indicated, the matter was intensely litigated, but it was done in the most extraordinary fashion with cooperation, collaboration, and high levels of professionalism on both sides, so I thank you.

Tamar headed the litigation of *In re Delcath Systems, Inc. Securities Litigation*, in which Pomerantz achieved a settlement of \$8,500,000 for the class. She successfully argued before the Second Circuit in *In re China North East Petroleum Securities Litigation*, to reverse the district court's dismissal of the defendants on scienter grounds.

Among other securities fraud class actions that Tamar led to successful settlements are *KB Partners I, L.P. v. Pain Therapeutics, Inc.* (\$8,500,000); *New Oriental Education & Technology Group, Inc.* (\$3,150,000 pending final approval); and *Whiteley v. Zynerva Pharmaceuticals Inc. et al.* (\$4,000,000 pending final approval).

Before coming to Pomerantz, Tamar had over three years of experience as a litigation associate in the New York office of Clifford Chance US LLP, where she focused on complex commercial litigation. Tamar has successfully tried pro bono cases, including two criminal appeals and a housing dispute filed with the Human Rights Commission.

Tamar graduated from Fordham University School of Law in 2004 and while there, won awards for successfully competing in and coaching Moot Court competitions.

Tamar is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York; and the United States Courts of Appeals for the Second, Third, Fourth, and Ninth Circuits.

Michael J. Wernke

Michael J. Wernke joined Pomerantz as Of Counsel in 2014 and was elevated to Partner in 2015. He was named a 2020 Plaintiffs' Lawyer Trailblazer by the *National Law Journal*, an award created to "honor a handful of individuals from each practice area that are truly agents of change."

Michael, along with Managing Partner Jeremy Lieberman, led the litigation in *Pirnik v. Fiat Chrysler Automobiles N.V. et al.*, No. 1:15-cv-07199-JMF (S.D.N.Y), in which the Firm, as Lead Counsel, achieved a \$110 million settlement for the class. This high-profile securities class action alleges that Fiat Chrysler concealed from investors that it improperly outfitted its diesel vehicles with "defeat device" software designed to cheat NOx emissions regulations in the U.S. and Europe, and that regulators had accused Fiat Chrysler of violating the emissions regulations. The *Fiat Chrysler* recovery provides the class of investors with as much as 20% of recoverable damages—an excellent result when compared to historical statistics in class action settlements, where typical recoveries for cases of this size are between 1.6% and 3.3%.

Michael led the securities class action *Zwick Partners, LP v. Quorum Health Corp., et al.*, No. 3:16-cv-2475, achieving a settlement of \$18,000,000 for the class in June 2020. The settlement represented between 12.7% and 42.9% of estimated recoverable damages. Plaintiff alleged that defendants misrepresented to investors the poor prospects of hospitals that the parent company spun off into a stand-alone company. In defeating defendants' motions to dismiss the complaint, Michael successfully argued that company from which Quorum was spun off was a "maker" of the false statements even though all the alleged false statements concerned only Quorum's financials and the class involved only purchasers of Quorum's common stock. This was a tremendous victory for plaintiffs, as cases alleging false statements of goodwill notoriously struggle to survive motions to dismiss.

Along with Managing Partner Jeremy Lieberman, Michael leads the Firm's individual action against pharmaceutical giant Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. (together, "Teva"), and certain of Teva's current and former employees and officers, relating to alleged anticompetitive practices in Teva's sales of generic drugs. Teva is a dual-listed company; the Firm represents several Israeli institutional investors who purchased Teva shares on the Tel Aviv Stock Exchange. In early 2021, Pomerantz achieved a major victory for global investors when the district court agreed to exercise supplemental jurisdiction over the Israeli law claims. *Clal Insurance Company Ltd. v. Teva Pharmaceutical Industries Ltd.*

In December 2018, Michael, along with Pomerantz Managing Partner Jeremy A. Lieberman, secured a \$31 million partial settlement with three defendants in *In re Libor Based Financial Instruments Antitrust Litigation*, a closely watched multi-district litigation, which concerns the LIBOR rigging scandal.

In October 2018, Michael secured a \$15 million settlement in *In re Symbol Technologies, Inc. Securities Litigation*, No. 2:05-cv-03923-DRH-AKT (E.D.N.Y.), a securities class action that alleges that, following an accounting fraud by prior management, Symbol's management misled investors about state of its internal controls and the Company's ability to forecast revenues.

He was Lead Counsel in *Thomas v. Magnachip Semiconductor Corp.*, in which he achieved a \$23.5 million partial settlement with certain defendants, securing the settlement despite an ongoing investigation by the Securities and Exchange Commission and shareholder derivative actions. He played a leading role in *In re Lumber Liquidators, Inc. Securities Litigation*, in which Pomerantz, as Co-Lead Counsel, achieved a settlement of \$26 million in cash and 1,000,000 shares of Lumber Liquidators common stock for the Class. Michael also secured a \$7 million settlement (over 30% of the likely recoverable damages) in the securities class action *Todd v. STAAR Surgical Company, et. al.*, No. 14-cv-05263-MWF-RZ (C.D. Cal.), which alleged that STAAR concealed from investors violations of FDA regulations that threatened the approval of STAAR's long awaited new product.

In the securities class action *In re Atossa Genetics, Inc. Securities Litigation*, No. 13-cv-01836-RSM (W.D. Wash.), Michael secured a decision by the Ninth Circuit Court of Appeals that reversed the district court's dismissal of the complaint. The Ninth Circuit held that the CEO's public statements that the company's flagship product had been approved by the FDA were misleading despite the fact that the company's previously filed registration statement stated that that the product did not, at that time, require FDA approval.

During the nine years prior to coming to Pomerantz, Michael was a litigator with Cahill Gordon & Reindel LLP, with his primary focus in the securities defense arena, where he represented multinational

financial institutions and corporations, playing key roles in two of only a handful of securities class actions to go to jury verdict since the passage of the PSLRA.

In 2020 and 2021, Michael was honored as a Super Lawyers® “Top Rated Securities Litigation Attorney.” In 2014 and 2015, he was recognized as a Super Lawyers® New York Metro Rising Star.

Michael received his J.D. from Harvard Law School in 2004. He also holds a B.S. in Mathematics and a B.A. in Political Science from Ohio State University, where he graduated *summa cum laude*.

He serves on the Firm’s Anti-Harassment and Discrimination Committee.

Michael is admitted to practice in New York; the United States District Court for the Southern District of New York; and the United States Supreme Court.

In 1992, Senior Judge Milton Pollack of the Southern District of New York appointed Stan to the Executive Committee of counsel charged with allocating to claimants hundreds of millions of dollars obtained in settlements with Drexel Burnham & Co. and Michael Milken.

Many courts have acknowledged the high quality of legal representation provided to investors by Stan. In *Gartenberg v. Merrill Lynch Asset Management, Inc.*, No. 79 Civ. 3123 (S.D.N.Y.), where Stan was lead trial counsel for plaintiff, Judge Pollack noted at the completion of the trial:

[I] can fairly say, having remained abreast of the law on the factual and legal matters that have been presented, that I know of no case that has been better presented so as to give the Court an opportunity to reach a determination, for which the court thanks you.

Stan was also the lead trial attorney in *Rauch v. Bilzerian* (N.J. Super. Ct.) (directors owed the same duty of loyalty to preferred shareholders as common shareholders in a corporate takeover), where the court described the Pomerantz team as “exceptionally competent counsel.” He headed the six week trial on liability in *Walsh v. Northrop Grumman* (E.D.N.Y.) (a securities and ERISA class action arising from Northrop’s takeover of Grumman), after which a substantial settlement was reached.

Stan frequently speaks at law schools and professional organizations. In 2009, Stan was a panelist on a Practising Law Institute “Hot Topic Briefing” entitled *StoneRidge - Is There Scheme Liability or Not?*

Stan served on former New York State Comptroller Carl McCall’s Advisory Committee for the NYSE Task Force on corporate governance. He is a former president of NASCAT. During his tenure at NASCAT, he represented the organization in meetings with the Chairman of the Securities and Exchange Commission and before members of Congress and of the Executive Branch concerning legislation that became the PSLRA.

Stan served for three years on the New York City Bar Association’s Committee on Ethics, as well as on the Association’s Judiciary Committee. He is actively involved in civic affairs. He headed a task force on behalf of the Association, which, after a wide-ranging investigation, made recommendations for the future of the City University of New York. He was formerly on the board of the Appleseed Foundation, a national public advocacy group.

Stan is admitted to practice in New York; the United States District Courts for the Southern and Eastern Districts of New York, Central District of California, Eastern District of Wisconsin, District of Arizona, District of Colorado; the United States Courts of Appeals for the First, Second, Third, Ninth and Eleventh Circuits; and the United States Supreme Court.

Patrick V. Dahlstrom

Patrick Dahlstrom joined Pomerantz as an associate in 1991 and was elevated to Partner in January 1996. He served as Co-Managing Partner with Jeremy Lieberman in 2017 and 2018 and is now Senior Counsel. Patrick heads the Firm’s Chicago office. He was honored as a Super Lawyers® “Top-Rated Securities Litigation Attorney” from 2018 – 2021. In 2021, Patrick was inducted into the Lawdragon Hall of Fame.

Patrick, a member of the Firm’s Institutional Investor Practice and New Case Groups, has extensive experience litigating cases under the PSLRA. He led *In re Comverse Technology, Inc. Securities Litigation*, No. 06-CV-1825 (E.D.N.Y.), in which the Firm, as Lead Counsel, recovered a \$225 million settlement for the Class – the second-highest ever for a case involving back-dating options, and one of the largest recoveries ever from an individual officer-defendant, the company’s founder and former CEO. In *Comverse*, the Firm obtained an important clarification of how courts calculate the “largest financial interest” in connection with the selection of a Lead Plaintiff, in a manner consistent with *Dura Pharmaceuticals, Inc. v. Broudo*, 544 U.S. 336 (2005). Judge Garaufis, in approving the settlement, lauded Pomerantz: “The court also notes that, throughout this litigation, it has been impressed by Lead Counsel’s acumen and diligence. The briefing has been thorough, clear, and convincing, and ... Lead Counsel has not taken short cuts or relaxed its efforts at any stage of the litigation.”

In *DeMarco v. Robertson Stephens Inc.*, 228 F.R.D. 468 (S.D.N.Y. 2005), Patrick obtained the first class certification in a federal securities case involving fraud by analysts.

Patrick's extensive experience in litigation under the PSLRA has made him an expert not only at making compelling arguments on behalf of Pomerantz' clients for Lead Plaintiff status, but also in discerning weaknesses of competing candidates. *In re American Italian Pasta Co. Securities Litigation* and *Comverse* are the most recent examples of his success in getting our clients appointed sole Lead Plaintiff despite competing motions by numerous impressive institutional clients.

Patrick was a member of the trial team in *In re ICN/Viratek Securities Litigation* (S.D.N.Y. 1997), which, after trial, settled for \$14.5 million. Judge Wood praised the trial team: "[P]laintiffs counsel did a superb job here on behalf of the class. ...This was a very hard fought case. You had very able, superb opponents, and they put you to your task. ...The trial work was beautifully done and I believe very efficiently done."

Patrick's speaking engagements include interviews by NBC and the CBC regarding securities class actions, and among others, a presentation at the November 2009 State Association of County Retirement Systems Fall Conference as the featured speaker at the Board Chair/Vice Chair Session entitled: "Cleaning Up After the 100 Year Storm. How trustees can protect assets and recover losses following the burst of the housing and financial bubbles."

Patrick is a 1987 graduate of the Washington College of Law at American University in Washington, D.C., where he was a Dean's Fellow, Editor in Chief of the *Administrative Law Journal*, a member of the Moot Court Board representing Washington College of Law in the New York County Bar Association's Antitrust Moot Court Competition, and a member of the Vietnam Veterans of America Legal Services/Public Interest Law Clinic. Upon graduating, Patrick served as the Pro Se Staff Attorney for the United States District Court for the Eastern District of New York and was a law clerk to the Honorable Joan M. Azrack, United States Magistrate Judge.

Patrick is admitted to practice in New York and Illinois; the United States District Courts for the Southern and Eastern Districts of New York, Northern District of Illinois, Northern District of Indiana, Eastern District of Wisconsin, District of Colorado, and Western District of Pennsylvania; the United States Courts of Appeals for the First, Fourth, Sixth, Seventh, Eighth, and Ninth Circuits; and the United States Supreme Court.

Jennifer Banner Sobers

Jennifer Banner Sobers is Of Counsel to the Firm.

In 2021, Jennifer was honored as a Super Lawyers® “Top-Rated Securities Litigation Attorney”. She was also named a 2020 Rising Star by Super Lawyers®, Law360, and the *New York Law Journal*, all separate and highly competitive awards that honor attorneys under 40 whose legal accomplishments transcend their age. After a rigorous nomination and vetting process, Jennifer was honored in 2019 and 2020 as a member of the National Black Lawyers Top 100, an elite network of the top 100 African American attorneys from each state.

Jennifer played an integral role on the team litigating *In re Petrobras Securities Litigation*, in the Southern District of New York, a securities class action arising from a multi-billion-dollar kickback and bribery scheme involving Brazil's largest oil company, Petróleo Brasileiro S.A. - Petrobras. The Firm, as sole Lead Counsel, achieved a historic \$3 billion settlement on behalf of investors in Petrobras securities. Among Jennifer's contributions to the team's success were: managing the entire third-party discovery in the United States, which resulted in the discovery of key documents and witnesses; deposing several underwriter bank witnesses; drafting portions of Plaintiffs' amended complaints that withstood motions to dismiss the claims and Plaintiffs' successful opposition to Defendants' appeal in the Second Circuit, which resulted in precedential rulings, including the Court rejecting the heightened ascertainability requirement for obtaining class certification that had been imposed by other circuit courts; and second chaired argument in the Second Circuit that successfully led to the Court upholding the award of sanctions against a professional objector challenging the integrity of the settlement.

Jennifer played a leading role in *In re Toronto-Dominion Bank Securities Litigation*, an action in the District of New Jersey alleging a multi-year fraud arising from underlying retail banking misconduct by one of Canada's largest banks that was revealed by investigative news reports. Jennifer undertook

significant work drafting the briefing to oppose Defendants' motion to dismiss the claims, which the Court denied. She oversaw the discovery in the action, which included, among other things, heading the complicated process of obtaining documents in Canada and being a principal drafter of the motion to partially lift the PSLRA stay in order to obtain discovery. Jennifer successfully presented oral argument which led to the Court approval of a \$13.25 million class-wide settlement.

U.S. District Judge Noel L. Hillman, in approving the *Toronto-Dominion Bank* settlement, stated, "I commend counsel on both sides for their hard work, their very comprehensive and thoughtful submissions during the motion practice aspect of this case. I paused on it because it was a hard case. I paused on it because the lawyering was so good. So, I appreciate from both sides your efforts." He added, "It's clear to me that this was comprehensive, extensive, thoughtful, meaningful litigation leading up to the settlement." Singling out Pomerantz's role as lead counsel, the judge also said, "This settlement appears to have been obtained through the hard work of the Pomerantz firm... It was through their efforts and not piggybacking on any other work that resulted in this settlement."

Jennifer was a key member of the team litigating individual securities actions against BP p.l.c. in the Northern District of Texas on behalf of institutional investors in BP p.l.c. to recover losses in BP's common stock (which trades on the London Stock Exchange), arising from BP's 2010 Gulf oil spill. The actions were resolved in 2021 in a confidential, favorable monetary settlement for all 35 Firm clients.

Jennifer is a lead litigator in *Crutchfield v. Match Group, Inc.*, pending. Jennifer is also a key member of the litigation teams of other nationwide securities class action cases, including: *In re Ubiquiti Networks, Inc. Sec. Litig.*, an action in the Southern District of New York, for which Jennifer was one of the principal drafters of the amended complaint—the strength of which led the Court to deny permission to the defendants to file a formal motion to dismiss it—which secured a court-approved \$15 million class-wide settlement; *In re KaloBios Pharmaceuticals Inc. Securities Litigation*, an action in the Northern District of California, which successfully secured settlements from the bankrupt company and its jailed CEO worth over \$3.25 million for the Class that were approved by the Court as well as the bankruptcy court; *Perez v. Higher One Holdings, Inc.*, an action in the District of Connecticut, for which Jennifer was one of the principal drafters of the successful opposition to Defendants' motion to dismiss, and which secured a court-approved \$7.5 million class-wide settlement; *Edwards v. McDermott Int'l, Inc.* pending in the Southern District of Texas; *Chun v. Fluor Corp.* pending in the Northern District of Texas; and *Kendall v. Odonate Therapeutics, Inc.*, pending in the Southern District of California.

Prior to joining Pomerantz, Jennifer was an associate with a prominent law firm in New York where her practice focused on complex commercial litigation, including securities law and accountants' liability. An advocate of pro bono representation, Jennifer earned the Empire State Counsel honorary designation from the New York State Bar Association and received an award from New York Lawyers for the Public Interest for her pro bono work.

Jennifer received her B.A. from Harvard University (with honors), where she was on the Dean's List, a Ron Brown Scholar, and a recipient of the Harvard College Scholarship. She received her J.D. from University of Virginia School of Law where she was a participant in the Lile Moot Court Competition and was recognized for her pro bono service.

She is a member of the Securities Litigation and Public Service Committees of the Federal Bar Council, and the New York City Bar Association.
